g. CON 201 Conservation Recreation/Practicum Internship II	_____	3
h. CON 202/BIO 221 Principles of Ecology	_____	3
i. CON 203 Seminar in Environmental Conservation	_____	3
j. CON 205/BIO 250 Field Botany	_____	3
<b>Conservation Electives-Required hours 12</b>		
a. CON 231 Environmental Conservation-Outdoor Recreation Law I	_____	3
b. Choose three of the following courses: <i>CON 214, CON 216, CON 225, CON/BIO 210</i>	_____	3
	_____	3
	_____	3
<b>Physical Education – Required hours 4</b>		
a. PE 150 Beginning Camping	_____	1
b. PE 250 Wilderness Camping	_____	1
c. PE 252 Semi-Survival Camping	_____	1
d. _____	_____	1
<b>General Electives-Required hours 3</b>		
a. COM 110 Public Speaking	_____	3

**NOTES:**

1. This advisement guide has been developed in collaboration with representatives from SUNY Cobleskill, for the purpose of helping students meet FLCC graduation requirements while preparing for transfer to SUNY Cobleskill. The recommendations may include courses which are beyond the minimum requirements for FLCC graduation. Students are responsible for ensuring that their course selection meets requirements of FLCC graduation as well as those of SUNY Cobleskill. For information about minimum FLCC graduation requirements, see the College's catalog or your academic advisor. For information about SUNY Cobleskill's requirements, contact Anita Wright, Director of Transfer, Articulation & Career Development Services at (518) 255-5624.
2. FLCC students who complete the AAS Natural Resource Conservation degree with a minimum GPA of 2.50 and complete all of the courses included in this advisement guide, will be guaranteed admission into either the BT Animal Science-Wildlife Management concentration or BT Animal Science-Fisheries and Aquaculture concentration degree program at SUNY Cobleskill with full junior status.
3. Courses with grades of C or better will be accepted for transfer credit at SUNY Cobleskill.
