2001-2002

GENERAL ELECTIVES/Sufficient to total 128 hours for graduation. Students are encouraged to take courses that will best meet their individual career needs.

Notes:

A 2.50 overall GPA is required and in each of the following areas a 2.50 overall GPA is required with no grade lower than "C": (1) professional education courses, (2) subject matter courses, and (3) all collateral courses.

Education majors must complete the Core Battery and appropriate Specialty Test of the National Teacher Examination (PRAXIS) and meet minimum cut-off scores established by the Kentucky State Department of Education in order to be recommended for certification.

Some current teacher education programs will be replaced by new certification programs in accordance with Kentucky Department of Education mandates. The last date to complete certification under some current programs is January 1, 2000. Questions regarding actual and projected changes should be discussed with Teacher Education personnel or the Dean of the College.

A Portfolio is required in this program, which consists of a compilation of materials reflecting process and products of the student's experiences.

GENERAL ELECTIVES/Sufficient to total 128 hours for graduation. Students are encouraged to take courses that will best meet their individual career needs.

Notes:

A 2.50 overall GPA is required and in each of the following areas a 2.50 overall GPA is required with no grade lower than "C": (1) professional education courses, (2) subject matter courses, and (3) all collateral courses.

Education majors must complete the Core Battery and appropriate Specialty Test of the National Teacher Examination (PRAXIS) and meet minimum cut-off scores established by the Kentucky State Department of Education in order to be recommended for certification.

Some current teacher education programs will be replaced by new certification programs in accordance with Kentucky Department of Education mandates. The last date to complete certification under some current programs is January 1, 2000. Questions regarding actual and projected changes should be discussed with Teacher Education personnel or the Dean of the College.

A Portfolio is required in this program, which consists of a compilation of materials reflecting process and products of the student's experiences.

GENERAL ELECTIVES/Sufficient to total 128 hours for graduation. Students are encouraged to take courses that will best meet their individual career needs.

Notes:

A 2.50 overall GPA is required and in each of the following areas a 2.50 overall GPA is required with no grade lower than "C": (1) professional education courses, (2) subject matter courses, and (3) all collateral courses.

Education majors must complete the Core Battery and appropriate Specialty Test of the National Teacher Examination (PRAXIS) and meet minimum cut-off scores established by the Kentucky State Department of Education in order to be recommended for certification.

Some current teacher education programs will be replaced by new certification programs in accordance with Kentucky Department of Education mandates. The last date to complete certification under some current programs is January 1, 2000. Questions regarding actual and projected changes should be discussed with Teacher Education personnel or the Dean of the College.

A Portfolio is required in this program, which consists of a compilation of materials reflecting process and products of the student's experiences.

Notes:

**ALICE LLOYD COLLEGE TRANSFER GUIDE
KENTUCKY COMMUNITY AND TECHNICAL COLLEGE SYSTEM
2001-2002**

A 2.50 overall GPA is required and in each of the following areas a 2.50 overall GPA is required with no grade lower than "C": (1) professional education courses, (2) subject matter courses, and (3) all collateral courses.

Education majors must complete the Core Battery and appropriate Specialty Test of the National Teacher Examination (PRAXIS) and meet minimum cut-off scores established by the Kentucky State Department of Education in order to be recommended for certification.

Some current teacher education programs will be replaced by new certification programs in accordance with Kentucky Department of Education mandates. The last date to complete certification under some current programs is January 1, 2000. Questions regarding actual and projected changes should be discussed with Teacher Education personnel or the Dean of the College.

A Portfolio is required in this program, which consists of a compilation of materials reflecting process and products of the student's experiences.

GENERAL ELECTIVES/Sufficient to total 128 hours for graduation. Students are encouraged to take courses that will best meet their individual career needs.

Notes:

A 2.50 overall GPA is required and in each of the following areas a 2.50 overall GPA is required with no grade lower than "C": (1) professional education courses, (2) subject matter courses, and (3) all collateral courses.

Education majors must complete the Core Battery and appropriate Specialty Test of the National Teacher Examination (PRAXIS) and meet minimum cut-off scores established by the Kentucky State Department of Education in order to be recommended for certification.

Some current teacher education programs will be replaced by new certification programs in accordance with Kentucky Department of Education mandates. The last date to complete certification under some current programs is January 1, 2000. Questions regarding actual and projected changes should be discussed with Teacher Education personnel or the Dean of the College.

A Portfolio is required in this program, which consists of a compilation of materials reflecting process and products of the student's experiences.

GENERAL ELECTIVES/Sufficient to total 128 hours for graduation. Students are encouraged to take courses that will best meet their individual career needs.

Notes:

A 2.50 overall GPA is required and in each of the following areas a 2.50 overall GPA is required with no grade lower than "C": (1) professional education courses, (2) subject matter courses, and (3) all collateral courses.

Education majors must complete the Core Battery and appropriate Specialty Test of the National Teacher Examination (PRAXIS) and meet minimum cut-off scores established by the Kentucky State Department of Education in order to be recommended for certification.

Some current teacher education programs will be replaced by new certification programs in accordance with Kentucky Department of Education mandates. The last date to complete certification under some current

programs is January 1, 2000. Questions regarding actual and projected changes should be discussed with Teacher Education personnel or the Dean of the College.

A Portfolio is required in this program, which consists of a compilation of materials reflecting process and products of the student's experiences.
