

GENERAL STUDIES TRANSFER PLAN

To Azusa Pacific University from Allan Hancock College

This transfer plan is to be used as a guide for <u>traditional undergraduate</u> students wishing to transfer to Azusa Pacific University. Completion is <u>not</u> required for admission to APU. This is not an articulation agreement but a tool to aid students in knowing which courses APU will accept to fulfill General Studies requirements. It is the student's responsibility to see that all of the requirements are met upon completing their degree at APU.

(Note: Due to specific requirements, this is not for use by those pursuing a degree in Liberal Studies. Please contact APU's Office of the Undergraduate Registrar for a Liberal Studies transfer plan.)

IGETC/CSU GE

APU accepts the completed IGETC or CSU GE as fulfilling the lower division APU General Studies program requirements. However, the student will need complete these provisions as part and/or in addition to their completed IGETC or CSU/GE.

- Students will need to meet the foreign language requirement of 2 semesters of the same language at the college level
- · Students will need to meet the Health Education and Fitness for Life requirements
- Students will need to complete a math course from the Mathematics department with at least a prerequisite of Intermediate Algebra.

All APU students will be required to complete the requisite number of biblical studies and upper division elective courses. In the cases of both the CSU GE and IGETC, the certificate must be complete, and the certificate must be obtained from the respective community college before the student matriculates to APU. Students who do not receive certification of completion will be evaluated by standard course-to-course articulation and will follow the APU General Studies program.
