Tyrone Powers, Ph.D., Director
Institute for Criminal Justice, Legal Studies and
Public Service
Anne Arundel Community College

This agreement is effective with new *UB* admits beginning in Fall 2007.

This agreement will be reviewed *biennially*

ARTICULATION AGREEMENT

Anne Arundel Community College (hereafter referred to as AACC), a community college in Anne Arundel County, Maryland, and the University of Baltimore (hereafter referred to as UB), a public upper-division state university in Baltimore, Maryland and a member of the University System of Maryland, agree to offer an articulated program leading to the award of a Bachelor of Science in Forensic Studies.

PURPOSE OF AGREEMENT

This agreement is entered into in the interests of our students. The general purpose of this agreement is to make clear the terms of this articulation agreement. This agreement will allow for the efficient transfer of students between campuses, including transfer credit, admissions and financial aid/scholarship. It will provide opportunities for students beyond the classroom, serving as a basis for student involvement and faculty interaction. It will set expectations for administrators, faculty and staff at both institutions, and foster a working relationship between the parties. Finally, it will encourage students to continue their education for their own personal and professional development.

ADMINISTRATIVE PRINCIPLES

The following general principles guide the operation of this Agreement:

1. The program is designed for graduates of the associate of applied science (AAS) degree in Forensic Studies, Forensic Scientist Track at AACC. A maximum of 60 credit hours from AACC will be allowed towards fulfillment of the one hundred twenty (120) credit hours required for baccalaureate completion.
2. In accordance with Code of Maryland Regulation, all courses meeting general education requirements at AACC will transfer to UB as general education. Other general education requirements will be met by using required or elective courses at UB as noted in this agreement.
3. The maximum number of credits that will be accepted by UB toward degree requirements from non-direct classroom instruction (including CLEP, AP, other nationally recognized standardized examination scores and other four-year institutions) is 30 credits. If the course is evaluated by AACC and applied to the Information Technology degree, UB will accept the course automatically as a transfer course. If the credit is not on the AACC transcript, the student may submit the score report to be evaluated by UB and credit will be applied as determined by UB's evaluation. Credit awarded for experiential learning ("life experience") if awarded by AACC is recognized by, and is transferable to, UB. It is possible that not all transferable credit accepted by UB will be applicable to the degree.

4. Courses completed at another community college will count towards the total credits transferred into UB. Official transcripts from previously attended institutions will also be required.
5. Once the associate of applied science degree is completed and the student has been admitted to UB, the student will be instructed to contact the appointed academic advisor and register for classes.
6. While AACC and UB do not presently have a dual admissions program, should one be agreed to, this agreement will not preclude students from participation and students may apply for and receive the benefits of dual admission.
7. UB will establish a mechanism to provide information on the academic progress of the AACC student enrolled as a result of this agreement.
8. Students may complete the UB curriculum part-time or full-time, online or face-to-face, or in any combination thereof.
9. This articulation agreement becomes effective on the date set forth on the first page of this document. This agreement will be reviewed biennially, and appropriately marked as such. .
10. AACC and UB agree to monitor the performance of this agreement and to revise it as necessary.
11. The agreement may be terminated by either party after adequate notice, defined as one semester or 6 months, to the other, at which time appropriate measures will be put into place regarding the continued transfer of students.
12. The office of record for academic agreements at the University of Baltimore is the Office of Community College Relations. The office of record for agreements at Anne Arundel Community College is the Office of the Vice President of Learning.

For admission to UB, the following apply:

1. Students must maintain a 2.0 cumulative grade point average in order to transfer at the 56 credit level or higher. Should students choose to transfer prior to completion of their associate of applied science degree, they will be responsible for meeting eligibility requirements.
2. In order to be eligible for admission, students must comply with all UB admissions requirements, including posted deadlines and appropriate documentation.
3. Should this articulation agreement concern a program with additional admissions requirements or prerequisite coursework, students must have met all standards prior to enrollment at UB.

4. Students who have satisfied the requirements of the articulation agreement will be given every consideration for financial assistance and will be eligible to compete for academic scholarships at UB.

APPENDICIES

As part of this agreement, the following have been included.

1. Course by course articulations, including satisfaction of general education requirements at both AACC and the University of Baltimore.
2. Upper Division requirements, to be completed at the University of Baltimore.

These appendices can be changed on a routine basis, by mutual agreement, without the procedural process review or revision of the entire articulation agreement.

APPENDIX I - COURSE ARTICULATIONS (Forensic Studies/Forensic Science)

The following pages indicate the course-to-course equivalency, as agreed upon within the articulation agreements.

Course to course articulation, including General Education

AACC Course	Credits	UB Equivalent	Explanation/Notes
CJS250	4	Lower Level Elective	
CJS216	3	Lower Level Elective	
CJS222	4	Lower Level Elective	
CJS137	3	Lower Level Elective	
MAT131 or MAT151 or Higher	3-4	Lower Level Elective	Satisfies the Math General Education Area
SOC111	3	Lower Level Elective	Satisfies the Social and Behavioral Science General Education Area
ENG111 or ENG115	3	Lower Level Elective	
ENG112 or ENG116 or ENG121*	3	Lower Level Elective	Satisfies the English Composition General Education Area
COM111 or COM116	3	Lower Level Elective	Satisfies the Arts and Humanities General Education Area
HEA150 or EMT104	3	Lower Level Elective	
CHE111 AND CHE112	8	Lower Level Elective	Satisfies the Science General Education Area
PHY111 AND PHY112 OR PHY211 AND PHY212	8	Lower Level Elective	Satisfies the Science General Education Area
CHE213 AND CHE214	10	Lower Level Elective	
BIO101	4	Lower Level Elective	
Computer Technology GER	3	Lower Level Elective	CSI112 or CSI113 recommended.
TOTAL	65-66		A maximum of 60 credits will transfer to UB

* Students who take ENG121 will have satisfied the UB English Composition Requirement

APPENDIX II: UPPER DIVISION REQUIREMENTS (Forensic Studies/Forensic Science)

All AACC transfer students will be required to take a minimum of 60 credits of upper division coursework at UB.

Completion of the Forensic Studies, Forensic Science degree program at UB requires students to successfully complete the following course work:

Course Number	Course Title	Credit Hours	Explanation
Upper Division General Education Core Requirements (9 Credits)			
IDIS300	Ideas in Writing	3	
IDIS302	Ethical Issues in Business and Society	3	
IDIS304 or IDIS301	Arts and Ideas or World Cultures	3	IDIS304 (Arts and Ideas) will meet the lower division fine arts general education requirement, if necessary
Academic Program Requirements (43 Credits)			
CRJU301	Social Justice in the Urban Community	3	
FSCS480	Forensic Science	3	
FSCS482	Forensic Documentation	3	
FSCS307	Crime Scene Investigation	3	
FSCS312	Moot Court and Trial Advocacy for Forensics	3	
FSCS400	Laboratory Safety and Quality Assurance	3	
FSCS407	Instrumental Analysis	4	
FSCS487	Field Internship in Forensic Science	3	
	Trace Evidence Track	12	
	Discipline Elective	6	Approved Forensic Science or Criminal Justice Electives
Electives (9 Credits)			
	Social Science General Education	3	Satisfies the Social and Behavioral Science General Education Area
	History or Philosophy	3	Satisfies the UB History of Philosophy Graduation Requirements
	General Elective	3	
Total to be taken at UB:		60
