Anne Arundel Community College
101 College Parkway
Arnold, MD 21012-1895

Dear Ms. Mason:

After careful review of the Anne Arundel Community College's Hotel/Restaurant Management (Culinary Operations Option) program, it appears that courses offered within your curriculum are parallel to those offered at Johnson & Wales University. Please be aware that the same course from Anne Arundel College may be accepted in transfer for a different course within different majors at Johnson & Wales. This agreement is based on Johnson & Wales' 2009-2010 catalog.

Listed below are courses from your institution, which will be accepted as transfer credits. It is recommended that students select courses listed below when developing their schedule. Transfer credit can only be earned in the following manner:

- students must earn a minimum grade of "C"
- students must select a major to ensure the proper awarding of transfer credit
- Johnson & Wales will evaluate course-by-course to reflect students' curriculum
- course credit hours must equate to the course credit hours assigned to Johnson & Wales courses
- **This agreement will expire in August 2011 and will be re-evaluated according to updates in curriculum.**

Other general studies courses not listed will be evaluated on a course-by-course basis.

Students may visit our website at www.jwu.edu/sas to review the Johnson & Wales catalogs. Please refer to the catalogs for specific majors offered at various campuses.
