

**ARTICULATION AGREEMENT BETWEEN
JOHNSON & WALES UNIVERSITY
AND
ARAPAHOE COMMUNITY COLLEGE
Denver, Colorado**

After careful review of Arapahoe Community College’s Culinary Arts Certificate program, it appears that courses offered within your curriculum are parallel to those offered at Johnson & Wales University. Please be aware that the same course from Arapahoe Community College may be accepted in transfer for a different course within different majors at Johnson & Wales. This agreement is based on Johnson & Wales' 2009-2010 catalog.

Listed below are courses from your institution, which will be accepted as transfer credits. It is recommended that students select courses listed below when developing their schedule. Transfer credit can only be earned in the following manner:

- Students must earn a minimum grade of "C."
- Students must select a major to insure the proper awarding of transfer credit.
- Johnson & Wales will evaluate course-by-course to reflect students' curriculum.
- Course credit hours must equate to the course credit hours assigned to Johnson & Wales courses.
- This agreement will expire in August 2012.

CUL 1385 Fundamentals of Food Service Production – 3 quarter credits

Because transfer credit is evaluated on an individual basis, and curriculum changes occur each year, the above list is a guide only and is not intended as a guaranteed study plan. Johnson & Wales University course catalogs are available which outline current curricula and course offerings. Students should always discuss their individual study plans with an academic advisor soon after their arrival at Johnson & Wales University. Other general studies courses not listed will be evaluated on a course-by-course basis.

Students may visit our website at <http://www.jwu.edu/content.aspx?id=17512> to review the Johnson & Wales catalogs. Please refer to the catalogs for specific majors offered at various campuses.

We look forward to a positive relationship and to serving your students in the continuation of their education. If any of your students have any questions, please direct them to an admissions representative at 1-800-342-5598, ext 2310.
