BRIDGE TO BUSINESS AT CCSU

TRANSITIONING FROM CAPITAL COMMUNITY COLLEGE TO CENTRAL CONNECTICUT STATE UNIVERSITY'S SCHOOL OF BUSINESS

To ensure a strong relationship between *CCSU* and our partners in education, we have revised the transfer process for graduates of *Capital Community College*. *CCC* students enrolled in the Associate in Science Degree in Management can transfer **all** of their courses towards their Bachelor of Science in Business Administration at Central Connecticut State University.

Students in the Associate Degree program at *Capital Community College* (*CCC*) must successfully complete **specific** courses to enter *CCSU's* School of Business to pursue a Bachelor of Science degree in Business Administration. This transfer process provides *CCC* students with the opportunity to fulfill the *CCSU* degree requirements in the minimum number of credit hours. Joint advising will be available to *Capital Community College* students to foster a smooth transition into *CCSU's* School of Business.

Automatic admission to *CCSU's* School of Business is guaranteed for *Capital Community College* transfer students who

1. complete their Associate in Science Degree in Management according to the *CCSU* School of Business Transfer Process with an overall GPA of 2.5 out of 4.0.
2. achieve a 2.5 or higher in all business courses.
3. receive a C- or higher in courses eligible for transfer credit.

All students accepted into *CCSU's* School of Business are required to also complete **MAT 125 or 123 and STAT 201 (*CCSU's* course numbers)** prior to enrolling in any 300 level courses. These mathematics courses are **prerequisites** for all of the *CCSU* upper division business classes and must be taken as soon as possible. They may be taken at *CCSU*

or CCC (if available) prior to transferring into the Management program or once enrolled at CCSU.
