

ARTICULATION AGREEMENT

Anne Arundel Community College
Associate of Applied Science in Human Services

University of Maryland, Baltimore County (UMBC)
Bachelor of Arts in Social Work

This agreement is initiated this day, April 17, 2009, between Anne Arundel Community College, hereafter "AACC," and the University of Maryland Baltimore County, a constituent institution of the University System of Maryland, and agency of the State of Maryland, hereafter "UMBC," to facilitate the transfer of students earning the Associate of Applied Science in Human Services at AACC to UMBC in pursuit of the Bachelor of Arts in Social Work.

I. PURPOSE

The purpose of this Articulation Agreement (the "Agreement") is to establish collaboration between UMBC and AACC in an effort to facilitate the transfer and degree completion of students earning the Associate of Applied Science in Human Services at AACC to the Bachelor of Arts in Social Work at UMBC.

This Agreement also serves as a Memorandum of Understanding between both institutions for the purpose of clarifying roles and responsibilities in this partnership.

In the spirit of articulation, faculty representatives from both institutions will meet regularly to engage in ongoing discussion to enhance and strengthen this collaboration. Partner institution faculty will serve as a resource, as available, to each other's students and faculty by serving as a guest lecturer, workshop/seminar facilitator and other program exchanges. Partner institutions agree to communicate program changes in a timely manner to avoid disruption to student progress toward degree completion.

II. GUIDING PRINCIPLES

In consideration of the mutual covenants and conditions expressed herein, the parties agree to the following:

A. General Requirements

- 1 All courses meeting general education requirements at AACC will transfer and be applied towards the general education requirements at UMBC.
2. A maximum of 60 credits will transfer from AACC, a 2-year degree-granting institution.
- 3 Upon matriculation to UMBC, AACC students must satisfy all general education, graduation and major requirements as outlined in the UMBC Undergraduate Catalog.

For a detailed description of the requirements for the bachelor's degree, visit the UMBC Undergraduate Catalog at <http://www.umbc.edu/catalog/>.

4. AACC students must take a minimum of 30 credit hours at UMBC to earn a bachelor's degree. The final 30 credits must be earned at UMBC.
5. UMBC requires a minimum of 120 credit hours to attain a bachelor's degree.
6. At least 45 of a student's 120 credits required for a bachelor's degree must be in courses designated as upper-level; at UMBC, this is indicated by a 300- or 400-level course number. Courses from community colleges judged to be equivalent to upper-level UMBC courses will be counted toward the upper-level graduation requirement.

B. Advising/Academic Planning

1. Students should work closely with their academic advisor at AACC to develop an academic plan to ensure a seamless transition.
2. Students and advisors are encouraged to utilize a variety of advising resources including the UMBC Undergraduate Catalog, departmental websites, as well as ARTSYS (the USM online articulation database), to ascertain transferability of coursework.
3. Following admission to UMBC, students will receive an evaluation of prior college coursework that indicates transferability and applicability to UMBC general and university requirements.
4. Prior to matriculation to UMBC, all new students are required to attend the mandatory new student orientation program. During orientation, students will meet with an academic advisor to review prior coursework, discuss academic interests and goals, and develop an academic plan.
5. Upon matriculation, students will be assigned an advisor in their area of study. Students are strongly encouraged to meet with their advisor periodically. Students are required to meet with their advisor prior to registering for subsequent semesters.

C. Admissions

1. The UMBC Admissions Committee considers a number of factors including the applicant's strength of curriculum, overall performance in all college coursework and academic trend.
2. Applicants successfully completing the articulated program with a 2.0 or better grade point average who have not matriculated at any other institution of higher education will be guaranteed transfer admission to UMBC. Additional requirements may apply on selective admissions programs (e.g. Engineering, Visual & Performing Arts). A history of acts identified in the Federal Campus Security Act may disqualify a candidate for guaranteed admission.

D. Scholarships and Financial Aid

1. Students transferring from AACC to UMBC that meet application deadlines, academic and financial qualification that apply to all students, may be eligible for consideration for a variety of merit-based scholarships offered by UMBC. For additional information, visit http://www.umbc.edu/financialaid/new_transfers.html

2. To maximize consideration for need-based aid, students are encouraged to complete the free Application for Federal Student Aid (FAFSA) as soon as possible after January 1 but prior to February 14 for fall admission
