

ARTICULATION AGREEMENT

MOHAWK VALLEY COMMUNITY COLLEGE LIBERAL ARTS AND SCIENCE: HEALTH SCIENCE

WITH

UTICA COLLEGE DIVISION OF HEALTH AND HUMAN STUDIES MAJOR IN HEALTH STUDIES September 2007

I. General Statement of Purpose:

Utica College agrees to articulate with Mohawk Valley County Community College (MVCC) by providing opportunities for appropriately qualified students in MVCC's Liberal Arts and Science: Health Science department to complete the Bachelor of Science Degree in Health Studies and progress into the Program in Physical Therapy in the Division of Health and Human Studies at Utica College.

II. Requirements and Terms:

- A.** Students who have completed an Associate's Degree and who have a cumulative average of 3.0 or above will be accepted into Utica College (UC). Transfer student applicants who do not meet these criteria will be evaluated individually.
- B.** Students with an Associate's Degree are exempt from Components I and II of Utica College's Core requirements.
- C.** Students who transfer 30 credits of liberal arts and sciences with at least two courses in each of UC's three categories of Component II core, including one lab science course, will be exempt from Component II Core, but not necessarily exempt from Component I core.
- D.** Students with at least 30 credits of liberal arts and sciences but fewer than two courses in any of the three areas or lacking a lab science must take whatever Core courses are necessary to equal two in each area, including a lab science for Component II, and must complete all of Component I.
- E.** A Bachelor of Arts degree requires that 63 of the 126 credits required for graduation be in the liberal arts.
- F.** Grades of "B" or better in all prerequisite science courses.
- F.** Transfer credit will be given credit for non-science courses with a grade of "C" or better with a maximum of 60 transfer credits given students with a MVCC Associate's Degree in Health Science. Credit will be granted according to the appended list of equivalent courses or as general elective credit.

III. Benefits / Advantages

- A.** The Bachelor's from Utica College is a Syracuse University degree.
- B.** MVCC transfer students are eligible for scholarship and financial aid the same as continuing students.
- C.** Utica College will provide housing in campus residence halls within the guidelines and practices governing availability of housing for continuing students.
- D.** MVCC transfer students are eligible to participate in internships, externships, coops, field placements and study abroad opportunities open to continuing students.
