

Wayne State University
Transfer Plan for Macomb Community College
Chemistry – B.A. Degree
College of Liberal Arts and Sciences

The following plan is a guide for students who wish to begin their coursework at Macomb Community College and transfer into the Chemistry program offered by the College of Liberal Arts and Sciences at Wayne State University.

No more than 64 hours from a two-year school will apply toward a Wayne State University degree, though all earned hours which transfer will be listed on the Wayne State University student record. Please note that certain programs in the College of Liberal Arts and Sciences recommend specific courses to fulfill General Education requirements.

Please see an academic advisor at Wayne State University for a complete major plan. Information about Wayne State University is available at www.wayne.edu or may be requested by calling 1-877-WSU INFO (1-877-978-4636).
