Transfer Guide for Central Community College (All Campuses), College of Public Affairs and Community Service (Criminology and Criminal Justice). Guide revised Fall 2012. CONFIRM YOUR COURSE SELECTIONS WITH A UNL COLLEGE ADVISER!

Students anticipating transferring to UNL who intend to major in Criminology and Criminal Justice through The College of Public Affairs and Community Service (programs are administered by the University of Nebraska at Omaha) may use this guide for selecting Central Community College (All Campuses) courses. Check the UNL Bulletin <http://bulletin.unl.edu/undergraduate/index.shtml> for information about specific curriculum requirements or department websites noted below. Note: A transfer grade point average of 2.5 is required for admission to the College of Public Affairs and Community Service. To facilitate the transfer of credit, all grades should be a "C-" or higher. The University of Nebraska at Omaha applies a maximum of 64 semester hours (96 quarter hours) in transfer from community colleges. Students can complete all degree requirements for the Bachelor of Science in Criminology and Criminal Justice on the Lincoln campus, however, their degree will be granted by UNO. For more detailed information visit our School of Criminology and Criminal Justice website (<http://www.unl.edu/crimjust>). Transfer students will want to consider the following:

- 1) Students may transfer earlier but should consider transferring at least one semester prior to the junior year to avoid delay of admission to the upper division criminology and criminal justice program,
- 2) Transfer students will need one or more semesters at the University of Nebraska to complete pre-criminology and criminal justice requirements before they are eligible to take upper division criminology and criminal justice courses,
- 3) Students must complete 21 hours of upper division criminology and criminal justice courses for the major and a minimum of 21 hours of criminology and criminal justice at the University of Nebraska,
- 4) Early planning for the required area of concentration is important in order to determine lower level prerequisites needed prior to completing the 12 hours of upper level that is required in the concentration area.

Students interested in transferring to UNL may follow the guide but should communicate with an UNL academic adviser before or by the time 45 semester hours are complete. To contact an academic adviser in the College of Public Affairs and Community Service for information about the Criminology and Criminal Justice program call (402-472-6759).
