Transfer Guides for Community Colleges

Achievement Centered Education (ACE)

# Central Community College (All Campuses) Division of General Studies (Academic Home For Undeclared Students: UNL does not offer an undeclared major/degree)

Students interested in transferring to UNL who are undecided about a college or major may use this guide for selecting Central Community College (All Campuses) courses. Check the website at Division of General Studies (<http://www.unl.edu/dgs/>) for additional information. Guide revised Fall 2011. CONFIRM YOUR COURSE SELECTIONS WITH A UNL COLLEGE ADVISER!

At least one fifth of each entering class of students at the University of Nebraska-Lincoln is still deciding about a college or major. These students enroll in the Division of General Studies where professional advisers help them choose courses that keep them on the right track for the different majors and colleges they may be considering. Advisers also can help students assess their interests and abilities, an important step in choosing the right major. To contact an academic adviser in the Division of General Studies Advising Office call (402-472-3605). To facilitate the transfer of credit, all grades should be a "C" or higher. UNL colleges determine the applicability of transfer courses and courses in which the student earned a "C-" or lower. The University of Nebraska - Lincoln applies a maximum of 66 semester hours (99 quarter hours) in transfer from community colleges toward a UNL degree. The General Requirements list in this document reflect UNL's Achievement Centered Education program.

IMPORTANT CHANGE: Beginning Fall Semester 2012 UNL will apply 60 semester hours or 90 quarter hours from community colleges toward a UNL degree.

Each UNL undergraduate college may have additional general education requirements. The list in this document is a general list, and students should recognize that their eventual degree program may dictate more specific requirements. See the University Bulletin (<http://bulletin.unl.edu/undergraduate/>) for more information about specific requirements. THE UNL COURSE NUMBERS ARE IN [ ] BEHIND THE CREDIT HOURS:

FOREIGN LANGUAGE: UNL requires students who graduated from high school after January 1, 1997 to complete a minimum of two years of high school foreign language (or the equivalent of two college semesters) in the same language. The College of Journalism and Mass Communications and the College of Arts and Sciences require all students (for graduation) to complete the equivalent of 4 units of foreign language in high school (or the equivalent of 4 semesters in college) in the same language. Students who completed 4 years in high school in the same language are not required to take additional college foreign language. Students who completed fewer than 4 years of foreign language in high school in the same language must complete the equivalent of 4 semesters of college foreign language in the same language (or the equivalent of UNL's 202 level) in order to graduate from these UNL colleges. The typical 4 semester sequence at UNL is 101 (5 cr), 102 (5 cr), 201 (3 cr), 202 (3 cr). Students may begin with any course in the 4 semester sequence but the language requirement for these two colleges will not be met until the student completes the 202 equivalent. The Hixson Lied College of Fine and Performing Arts foreign language requirement varies by degree option. Thus students should review the college guide for more information.
