

**TRANSFER & ARTICULATION AGREEMENT**  
**Associate Degree in Nursing (ADN) (RN) to Bachelor of Science in Nursing (BSN) Degree**  
**Between**  
**MINERAL AREA COLLEGE**  
**AND**  
**UNIVERSITY OF MISSOURI**  
**Sinclair School of Nursing**

**OVERVIEW:**

This articulation agreement is made and entered into by the University of Missouri Sinclair School of Nursing in Columbia, hereinafter referred to as MUSSON, and Mineral Area College, Park Hills, Missouri hereinafter referred to as MAC. By this agreement, and MUSSON express a shared commitment to increasing opportunities for student access to and success in higher education. By clarifying transfer policies and procedures which assure articulation between programs, the institutions seek to assist students in making a seamless transfer from the associate to the baccalaureate degree.

**PURPOSE:**

This agreement provides students who have earned an Associate of Science in Nursing (ASN) the opportunity to complete a Bachelor of Science in Nursing at MU. Any MAC student who has earned an ASN degree as outlined below is guaranteed that MU will accept designated MAC credits, will apply such to the Bachelor of Science in Nursing degree in a manner consistent with the treatment of generic MUSSON students.

**CONDITIONS OF TRANSFER:**

MAC students maintaining continuous enrollment under this agreement will be afforded the same treatment and protections as MU native students enrolled under a specific catalog. Criteria for acceptance into the articulated program at MU will be the same for transfer as for native students.

MAC, upon request of students, will provide verification of completed courses to MU Sinclair School of Nursing. The transcript of students transferring from MAC will be evaluated by the MU Office of Admissions. Students are to have a cumulative GPA of 2.8 or higher in nursing courses.

Transfer students from MAC will have access to financial aid and student services on the same basis as native students.

MU will apply the same academic progress and graduation standards to MAC transfer students as those applicable to native students at MU.

## SECTION II: TRANSFER OF CREDIT

A maximum of 94 hours will be accepted by MUSSON from MAC to be applied to the Bachelor of Science in Nursing.

Twenty-six (26) of the last 30 semester hours of credit must be completed at MU (residency requirement) to be applied to the Bachelor of Science in Nursing.

Transfer students from MAC, meeting the criteria listed below will be accepted into the RN/BSN Option at the MU Sinclair School of Nursing.

### **Criteria for admittance to MU, Sinclair School of Nursing, RN/BSN Option**

- Undergraduate Admissions to The University of Missouri.
- Official transcripts from all colleges and university attended on file with the Admissions Office.
- A transcript review on file.
- Current licensure as an RN in the United States and eligibility for licensure in Missouri must be established.
- Successful complete of all general education and prerequisite coursework.
- Satisfactory grades from two general science course (biological, social, behavioral, physical or social science) and two of the three advanced lab sciences (microbiology, anatomy, physiology) to be eligible to apply for the clinical nursing major.
- Minimum cumulative grade-point average of 2.8 (on a 4.0 scale) for all college/university courses.
- Evidence of capacity to uphold the practice standards and ethical codes of the nursing profession.
