

**ARTICULATION AGREEMENT
BETWEEN
MOBERLY AREA COMMUNITY COLLEGE
AND
UNIVERSITY OF MISSOURI-COLUMBIA**

OVERVIEW:

This formal program articulation agreement is made and entered into by the University of Missouri-Columbia, hereinafter referred to as MU, and the Junior College District of Moberly Area Community College, Moberly, Missouri, hereinafter referred to as MACC. By this agreement MACC and MU express a shared commitment to increasing opportunities for student access to and success in higher education. By clarifying transfer policies and procedures which assure articulation between programs, the institutions seek to assist students in making a seamless transfer from the associate to the baccalaureate degree.

PURPOSE:

This agreement provides students who have earned an Associate of Arts the opportunity to complete the 120-hour program in the Department of Computer Science of the College of Engineering to obtain a Bachelor of Science in Information Technology at MU. Any MACC student who has earned an Associate of Arts is guaranteed that MU will accept designated freshman and sophomore credits and will apply such to a Bachelor of Science in Information Technology in a manner consistent with the treatment of native students.

CONDITIONS OF TRANSFER:

Section I: Admissions and Matriculation

MACC students maintaining continuous enrollment under this agreement will be afforded the same treatment and protection as MU native students enrolled under a specific catalog. Criteria for admissions to the Bachelor of Science in Information Technology will be based on the catalog year the student enters MU.

Criteria for acceptance into MU for transfer students is based upon their past academic performance and the admissions requirements for the Bachelor of Science in Information Technology degree.

MACC, upon request of students, will provide verification of completed courses to MU through its Admissions Office.

The transcripts of students transferring from MACC will be evaluated by the Admissions Office.

Transfer students from MACC will have access to financial aid and student services on the same basis as native students.

Minimum grade standards for academic progress and graduation from MACC will be subject to no further review by MU. Similarly, minimum grade standards for admission, academic progress, and graduation from Department of Computer Science in the College of Engineering at MU will not be subject to review by MACC. MU will apply the same academic progress and graduation standards to MACC transfer students as those applicable to native students at MU.

Section II: Transfer of Credit

A maximum of 64 credit hours will be accepted by MU from MACC to be applied to the Bachelor of Science in Information Technology degree. The following transfer hours, College Algebra and English I, will not count towards the total credit hours for graduation at University of Missouri-Columbia. Students must complete 30 of the last 36 hours of courses in residence at MU, enrolled in the Department of Computer Science of the College of Engineering.

Undergraduate admittance to the 120-hour Information Technology program requires completion of a minimum of a 2.0 GPA in classes from the transferring institution.
