

ARTICULATION AGREEMENT

ASSOCIATE OF SCIENCE - DIRECT TRANSFER DEGREE
between
CENTRAL OREGON COMMUNITY COLLEGE
and
OREGON STATE UNIVERSITY - CASCADES CAMPUS

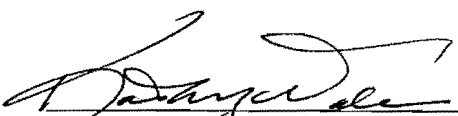

Effective: From Fall Term 2007 through Fall Term 2008

B.S. in Human Development and Family Sciences: Gerontology Option

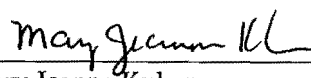

It is agreed that students transferring from Central Oregon Community College having completed their Associate of Science - Direct Transfer (AS-DT) degree in the major listed above and having completed the courses listed in the attached articulation agreement will be granted junior status at Oregon State University's Cascades Campus. All lower division Baccalaureate Core and HDFS: Gerontology Option course requirements will be considered as having been fulfilled. This agreement is based on the evaluation of the rigor and content of COCC's coursework and OSU's Baccalaureate Core and major/option requirements of the B.S. degree in Human Development and Family Sciences: Gerontology Option.

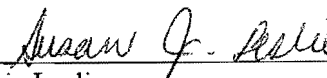

Note: Students may only transfer 124 lower-division credits towards an Oregon State University Baccalaureate degree. This agreement is subject to yearly re-evaluation by both schools for continuance. Changes to degree requirements or courses at either institution will necessitate an addendum that will be attached to this articulation agreement.

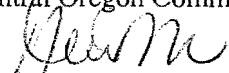

Dated: 17 October, 2007.

Total Major/Program Credits			32

Gray Shading: COCC's course is equivalent to OSU's Baccalaureate Core course.

Electives and Additional Comments

- The Baccalaureate Core and lower division HDFS Core and Major specifies 78-80 credit hours. Since the Associate of Science direct transfer (AS-DT) degree program requires a minimum of 93 (and a maximum of 124) credit hours, the difference will be in the form of electives from the list of approved and articulated courses between COCC and OSU Cascades. Students should work with their advisor to select the most applicable elective courses.
- For the HDFS: Gerontology Option, students must take 15 credits from a specific list of Gerontology core courses. Lower-division options within that list include:

Electives

OSU Requirement	OSU Articulation	COCC Equivalent	Credits
	BA LDT	BA 218: Personal Finance	3
	H LDT	HHP 258: Prevention of Chronic Disease	3
	PHL LDT	PHL 205: Medical Ethics	3
Approved Elective	Articulated course	Course to be determined with Advisor approval	3-4
Approved Elective	Articulated course	Course to be determined with Advisor approval	3-4
Total Elective Credits			15-17

- Note: No more than 12 professional/technical credit hours may be used.
