

**ARTICULATION AGREEMENT  
TRANSFER OF COURSES BETWEEN MT. HOOD COMMUNITY COLLEGE  
and OREGON STATE UNIVERSITY**

The catalog of record is 1992-1993 (revised for 1993-94)

It is agreed that students transferring from Mt. Hood Community College's Forest Technology program to Oregon State University's College of Forestry will be given university credit for forestry and general education courses as listed below.

On courses with college transfer markers (eg., WR 121, F 111) all credits transfer to OSU if grade of C or higher is earned. For technical-level courses (eg., FT 14) only the lower number of credits (MHCC or OSU equivalent) will be recorded. Under OSU policies for block transfer of vocational-technical credits, credit for vocational courses is awarded only upon completion of the baccalaureate degree programs that are covered in this agreement.

The Bachelor of Science in Forest Management, Forest Recreation Resources, Forest Products, or Forest Engineering will normally require two years or more to complete. This agreement is based upon an evaluation of the rigor and content of the Forestry programs at both MHCC and OSU and is subject to a yearly re-evaluation of both colleges.

The following list of Mt. Hood Community College Forest Technology courses will be accepted by OSU as meeting the technical requirements, in part, for a Bachelor of Science degree in Forest Management, Forest Recreation Resources, Forest Products, or Forest Engineering.

OSU REQUIREMENT	MHCC EQUIVALENT	OLD MHCC#
F 111 Intro to Forestry (4 cr)	F C 111 Intro to Forestry (3 cr) F A 111 Current Issues in Forest Resources (1 cr)	FT 13 FT 20
FP 210 Wood Tech and Util. (4 cr)	F 210 Forest Oper. & Prod. (4 cr) (1 cr Wood ID possible to take as FP 405 at OSU if needed)	FT 34
F 153 Tree and Shrub Ident. (3 cr)	F 153 Tree Identification (3 cr)	FT 24
FE 210 Intro to forest Survey. (3 cr)	F 200 Plane Surveying (4 cr)	ET 13
FW 251 Principles of Wildlife Conservation (3 cr)	FW 251 Principles of Wildlife Conservation (3 cr)	
F 220 Aerial Photo Interp. and Forest Measurements (3 cr)	FT 14 Forest Measurements I (3 cr) FT 38 Aerial Photo Interp. (3 cr)	
F 241 Forest Biology (4 cr)	F 241 Forest Biology (4 cr)	FT 23
F 190 Intro to Computer Appl. in Forestry (2 cr)	F 190 Computer Appl. in Engr. (3 cr)	ET 21

In the area of general education, OSU will continue to regularly provide Mt. Hood Community College with a list of those Mt. Hood courses that fulfill OSU's general education requirements. Selected courses that currently are accepted as equivalent and that are consistent with the academic interests and needs of students in OSU's forestry baccalaureate programs include:

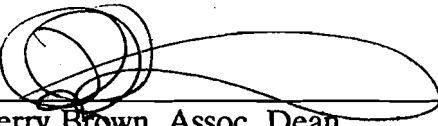

OSU REQUIREMENT	MHCC EQUIVALENT
Skills-	
WR 121	WR 121
WR 122	WR 122
COMM 111 or 114	SP 111 or 114
MTH 241	MTH 241
HHP 231	HPE 298
Perspectives-	
BI 201, 202, 203	BI 211, 212, 213 (preferred) or BI 101, 102, 103
CH* 121, 122, 123	CH* 104, 105, 106
EC 213, 214	EC 202, 201

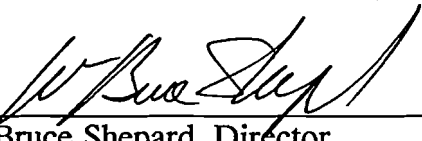

\*FE/CE dual degree majors take CH 201 and 202 at OSU; MHCC equivalent CH 201 and 202.

**MT. HOOD COMMUNITY COLLEGE/OREGON STATE UNIVERSITY  
ARTICULATION AGREEMENT IN  
Forest Technology**

The attached proposal for articulation is acceptable.
