

Transfer Manual

Credits that transfer from

**Community College of
Beaver County**

to the University of Pittsburgh
College of General Studies

This transfer manual was prepared to enable students to identify courses that can be applied to the following degrees at the University of Pittsburgh College of General Studies:

Administration of Justice
Dental Hygiene (degree completion)
Health Services
Humanities
Legal Studies
Liberal Studies
Media and Professional Communications
Natural Sciences
Public Service
Social Sciences

Each course offered at the Community College of Beaver County has been evaluated, and transferability of each course has been determined.

The University of Pittsburgh will accept a maximum of 60 credits from a community college. All courses transfer as lower level, freshman and sophomore level courses. A grade earned in a class taken at the Community College of Beaver County will not replace the grade from an equivalent class taken at the University of Pittsburgh.

Students planning to pursue a major offered through any other school at the University of Pittsburgh should consult the “Pitt Connection” for that school’s transfer policies.

If you have any questions, you can contact a College of General Studies academic advisor at **412-624-6600**.
