Students who have completed the following requirements are eligible to be candidates for admission to the School of Journalism:

-Regular Admission: Completion of at least 45 credit hours including a second-level math course, oral communication course, natural science course with lab, economics course, social science course, humanities course, completion of a foreign language through the second level and JOUR 101 or the equivalent with a minimum 2.5 cumulative GPA.

Admission is competitive. The number of students admitted each semester depends on the number graduating in the preceding semester and the School's overall capacity. Candidate selection is based on GPA. Ninety percent of available spaces will be filled by candidates with the highest overall GPAs. The remaining ten percent will be selected from among those who petition by the deadline, provided their overall GPA is a minimum of 2.50. Transfer students must earn a minimum KU cumulative GPA of 2.50 during their first semester.

The BSJ degree requires 124 hours of college credit; a minimum of 33 hours and no more than 39 hours of journalism courses within the 124-hour total. Only 12 transfer hours in journalism may be counted toward the degree. Sixty-four credits may be transferred from a community college. Students should be aware that 45 junior/senior credit hours are required for completion of the bachelor's degree. Thirty hours must be completed after admission to the School of Journalism.

A student not eligible for admission to the School of Journalism may be admitted to the College of Liberal Arts and Sciences as a pre-Journalism major.

One course is required for admission to the School of Journalism; the other two are additional graduation requirements for a B.S. in Journalism.

Each group of three courses may include one 2-hour course—two of the three must be offered for at least 3 hours of credit.

The Economics course and the third English course used to meet admission requirements may also be used in area distribution groups if the student has chosen Economics and English as departments for those groups. The lab science course and the non-western culture course used to meet admission and graduation requirements may also be used in area distribution groups if the student has chosen the same departments in which these courses were completed as departments for those groups.

Courses listed as undesignated (U) may not be used for area distribution requirements. These include but are not limited to ENGL 101 and ENGL 102, MATH 002 and MATH 101, COMS 130 and COMS 230, HWC 114 and HWC 115, or HWC 204 and HWC 205.

See www.journalism.ku.edu for more information.

Transfer students must earn a minimum KU cumulative grade-point average of 2.5 during the first semester, or admission will be rescinded.

Pass/Fail Policy. Courses not in the major (except three required English courses) will be accepted with a "P" grade.

Courses with a grade of "D" do not transfer to the School of Journalism.

The requirements listed above are subject to annual change.
