The School of Business offers seven majors: Accounting, Business Administration (revised, Fall 2008), Finance, Information Systems, Management & Leadership, Marketing, and Supply Chain Management. Only those applicants who meet the minimum requirements listed below will be considered for admission. Please note that the KU undergraduate business programs are offered in a traditional classroom-based format on the Lawrence campus, with very few options for evening or online courses.

**APPLICATION DEADLINES:**

For Fall Admission: February 15

For Spring Admission: September 15

Admission applications to the University of Kansas may be obtained from the Office of Admissions and Scholarships at KU or online at [www.admissions.ku.edu](http://www.admissions.ku.edu). Applicants who are not currently KU students must first gain admission to the University of Kansas, which requires the submission of all previous college transcripts. ACT/SAT scores should also be submitted at this time. Since some of the pre-admission courses required are not available at other institutions, students transferring to KU may not be eligible for admission to the School of Business until they have spent at least one semester at KU to complete the pre-admission courses.

**MINIMUM REQUIREMENTS TO APPLY TO THE SCHOOL OF BUSINESS:**

- 1) Student must have completed at least 60 semester hours that include the following required pre-admission coursework or their equivalents:
  - A) ACCT 200 Financial Accounting I (4)
  - B) ACCT 201 Managerial Accounting I (3)
  - C) DSCI 301 Statistics (4)
  - D) IST 301 Intro to Information Systems (3)
  - E) ECON 142 Microeconomics (3)
  - F) ECON 144 Macroeconomics (3)

- 3) Students must have earned at least a 2.5 GPA in both their overall professional GPA (all business and economics courses attempted) and their KU professional GPA (KU business and economics courses only).
- 4) Students must have an official ACT or SAT score on record with KU. Scores must reach KU by the deadline for admission into the Business School in order to be considered for admission.
- 5) Students must read and sign the School's Academic Code of Honor.
- 6) Students are required to attend a New Business Admit orientation session.
- 7) Students must submit a professional resume with their application.

Students not meeting all of the above requirements at the time of application will not be considered for admission into the School of Business. **Because admission is competitive, meeting all of the above requirements does not guarantee admission into the School of Business.** In addition to the required courses above, students are highly encouraged to complete PSYC 104 and one course from Society and Culture (SC) category.

As of fall 2008, transfer credits with earned grades of 'D' will not satisfy School of Business requirements.

A student may apply a maximum of 64 hours of community college coursework to a KU degree. Students with more than 64 transfer hours will have increased graduation requirements. **At least 30 credit hours of all professional business coursework must be completed as an admitted business school student at KU to be eligible for graduation.** Students are required to complete 45 credit hours of junior/senior level course work to satisfy graduation requirements.
