

PROGRAM TO PROGRAM AGREEMENT
between
MONTGOMERY COUNTY COMMUNITY COLLEGE
and
ARCADIA UNIVERSITY
for
A.A. in SOCIAL SCIENCES
to
B.A. in SOCIOLOGY or ANTHROPOLOGY

Preface

Montgomery County Community College (MCCC) and Arcadia University enter into this agreement in order to facilitate the transfer of MCCC students who have completed the A.A. in Social Science into the B.A. in Sociology or Anthropology degree programs at Arcadia University

Subject to the terms of this agreement, a student who completes the A.A. in Social Sciences curriculum at MCCC will be assured third year status in the B.A. Sociology or Anthropology degree programs at Arcadia University. This will generally allow a full-time student to complete the requirements for the B.A. degree within four regular semesters providing the student appropriately schedules and successfully completes (without repeating courses) their remaining courses at Arcadia University

Terms and Conditions for Admission to Arcadia University

1. Students who complete the A.A. in Social Science at MCCC as specified in the attached program-to-program (2+2) articulation document and are admitted to Arcadia University will enter with junior status and are assured credit as indicated. Courses not included in this document will be evaluated by Arcadia University on a course-by-course basis.
2. A minimum grade of "C-" is required to transfer a course to Arcadia University.
3. The student must meet all applicable Arcadia University requirements and deadlines pertaining to application for admission and payment of tuition and fees.
4. Students who apply to Arcadia University without the A.A. in Social Science from MCCC will not be covered by this agreement. For MCCC students who do not graduate with the A.A. in Social Science, Arcadia University will determine appropriate transfer of credit on a course-by-course basis.
5. Students transferring under this agreement will be eligible for financial aid and housing on the same basis as Arcadia University students.

6. Once at Arcadia University, students who transfer under the terms of this agreement are responsible for meeting requirements in their major field of study, and any other curriculum requirements applying to all Arcadia University students, that were in effect at Arcadia University at the time of their admission to MCCC or admission to Arcadia University (depending on what is most beneficial to the student). These students will abide by the policies and procedures, and any revisions thereof, which apply to all Arcadia University students.
7. Arcadia University will waive the application fee for students who apply to Arcadia University pursuant to this agreement.

Joint Responsibilities for Maintenance of this Agreement

1. MCCC and Arcadia University agree to maintain and distribute information about this agreement, and any changes relevant to it, to students, counselors, and advisors.
2. MCCC and Arcadia University will assure that the appropriate personnel at their respective institutions are made aware of the agreement, and any revisions thereto, and are encouraged to support it.
3. Both institutions will encourage MCCC students to meet with representatives of Arcadia University to discuss issues related to admissions, financial aid, and transfer of courses well in advance of their expected date of entry.
4. Faculty from each institution teaching in the curriculum for which this agreement has been developed will be encouraged to meet at least once annually to discuss issues of curriculum and student development.

Revision, Renewal and Termination of this Agreement

The Arcadia University Enrollment Management Office and the Department Chair for Sociology, Anthropology and Criminal Justice and the appropriate office at MCCC are responsible for identifying and communicating to each other changes in the policies or requirements of their respective institutions that affect this agreement.

This agreement will be in effect as of the date of its signing. It will be reviewed annually by the appropriate parties at each institution, and will be renewed automatically until superseded by a new agreement or formally terminated.

Revisions to the attached program-to-program articulation document may be made with verbal consent of the representatives of each institution. Whenever possible, Arcadia University will grandfather students who have followed the previous articulation document. Major changes to this agreement will require signatures from both institutions.

Either institution may terminate this agreement at any time by written notice of at least

one (1) year in advance of the effective date of termination. Should this agreement be terminated, it is understood that the termination will not apply to students already accepted to Arcadia University under the terms of this agreement, but not yet enrolled in classes.

The willingness of both institutions to enter this agreement in order to facilitate the transfer of students from MCCC to Arcadia University and to expand their opportunities for academic success at Arcadia University is indicated by the following signatures.
