| | | Total required for the degree | 120 |

*three credits for IS 1111 become electives for transfer students entering with 24 or more credits
The maximum number of transfer credits that can be applied to a PSU bachelor degree is 90.

Plymouth State University CURRICULUM PLANNING GUIDE with APPLICATION of TRANSFER CREDIT

LRCC students coming to PSU must have grades of C or better in each of their courses and a minimum 2.0 cumulative GPA in order to transfer into the PSU BS in Business Administration under this 2+2 agreement.

LRCC students who have completed the AS degree in Accounting with a concentration in Computer Applications with one course with a grade of C- or below, may retake that course during the summer preceding entrance to PSU and still be accepted at PSU under this 2+2 agreement, if she/he earns a grade of C or higher.

LRCC students who complete the AS degree in Accounting with a concentration in Computer Applications will need to take at least five more General Education classes (Creative Thought Direction, Past and Present Direction, Scientific Inquiry Direction, Self and Society Direction, Wellness Connection) and the third and fourth year coursework for the BS Business Administration major.

Advisors at LRCC will work with students to make sure that their Humanities/Fine Arts/Foreign Language Elective, Liberal Arts Elective, and Science Elective will transfer in as a Direction course at PSU and the Math Elective will satisfy Mathematics Foundations.

If a LRCC student has not completed the AS degree in Accounting with a concentration in Computer Applications, then courses will be transferred in on a course-by-course basis. See Transfer Agreement.

LRCC courses that satisfy PSU Mathematics Foundations

LMAT 2250 Finite Math
LMAT 2700 Calculus I

LRCC courses that satisfy PSU Creative Thought Direction (CTDI)

LART 1400 Exploration in the Visual Arts
