Notes: *-General education requirements vary by college. The College of Environmental and Life Sciences requires a Total of 15 credits from Fine Arts, Letters, and/or Foreign Language/Culture. Foreign language courses should be selected at an appropriate level. For a listing of general education and other equivalent Courses visit RITransfers.org . Students should be aware that many upper-level aquaculture and fisheries science courses at URI are only offered in alternating years. Talk with a department advisor to plan your program.
