

ARTICULATION AGREEMENT
Between
KEENE STATE COLLEGE
And
GREAT BAY COMMUNITY COLLEGE

In the spirit of providing New Hampshire students with enhanced freedom of choice and access among Community College System of New Hampshire system partners, Keene State College (KSC) and Great Bay Community College (GBCC) enter into an Articulation Agreement for the delivery of academic programs and/or curricula as identified in this document and in its appendices.

Students completing a minimum of 60 credits (credit bearing courses applied to community college requirements) at Great Bay Community College will be admitted to Keene State College with junior status. Courses at Great Bay Community College that are not equivalent to Keene State College major or Integrative Studies Program requirements but are credit bearing courses applied to community college requirements will be applied as general elective credits toward the baccalaureate degree. Students completing a minimum of 60 credits at Great Bay Community College, in most cases, will have the opportunity to complete their baccalaureate degree in two years.

PURPOSE

The agreement will contribute to the seamless access to baccalaureate level study for Great Bay Community College students who complete Associate degrees in:

- AA Liberal Arts/American Studies
- AS Digital Media Technology
- AS Computer Technologies
- AS Information Systems Technology
- AS Early Childhood Education
- AS Liberal Arts/Teacher Preparation
- AS Management
- AS Marketing
- AA Liberal Arts/Business Studies

The purpose of this Articulation Agreement is to provide the framework which specifies how individuals who complete:

- an Associate Degree of Liberal Arts in American Studies at Great Bay Community College may transfer credits into a Baccalaureate degree of Arts in American Studies at Keene State College (Appendix A)
- an Associate Degree in Digital Media Technology at Great Bay Community College may transfer credits into a Baccalaureate degree of Arts in Art: Graphic Design Option at Keene State College (Appendix B)
- an Associate Degree in Computer Technologies at Great Bay Community College may transfer credits into a Baccalaureate degree of Science in Applied Computer Science at Keene State College (Appendix C)
- an Associate Degree in Information Systems Technology at Great Bay Community College may transfer credits into a Baccalaureate degree of Science in Applied Computer Science at Keene State College (Appendix D)
- an Associate degree in Early Childhood Education at Great Bay Community College may transfer credits into a Baccalaureate degree of Science in Education: Early Childhood Development at Keene State College (Appendix E)
- an Associate degree in Liberal Arts/Teacher Preparation at Great Bay Community College may transfer credits into a Baccalaureate degree of Science in Education: Elementary Education at Keene State College (Appendix F)
- an Associate degree in Management at Great Bay Community College may transfer credits into a Baccalaureate degree of Science in Management at Keene State College (Appendix G)
- an Associate degree in Marketing at Great Bay Community College may transfer credits into a Baccalaureate degree of Science in Management at Keene State College (Appendix H)
- an Associate degree in Liberal Arts/Business Studies at Great Bay Community College may transfer credits into a Baccalaureate degree of Science in Management at Keene State College (Appendix I)

This agreement also specifies how general education courses taken at Great Bay Community College will be applied to Keene State College's Integrative Studies Program (Appendix J)

Finally this agreement identifies courses taken at Great Bay Community College that can be applied to various baccalaureate programs at Keene State College. These equivalencies create a pathway for students to transition from Great Bay Community College to Keene State College. (Appendix K)

JOINT RESPONSIBILITIES

To the extent possible, Great Bay Community College and Keene State College will publicize this Agreement and collaborate in joint marketing efforts. Great Bay Community College and Keene State College will each review the status of the Agreement as appropriate and each party will notify the other of any opportunities or issues that need to be addressed.

COURSE AND/OR PROGRAM CHANGES

Any course or program changes at either Great Bay Community College or Keene State College that impact the existing articulation agreement must be communicated to the designated campus representative at each institution.

PERIODIC REVIEW

Articulation agreements will be reviewed every five years to determine if any changes in course content or outcomes have occurred that might impact the existing agreement.

ACADEMIC STANDARDS

Keene State College assures the acceptance of an Associate degree graduate who has earned a grade point average of a 2.0 or better. Courses are evaluated on an individual basis to determine the appropriate academic equivalents.

Grades earned at other institutions are not included in the computation of the student's grade point average at Keene State College. Students should refer to the Keene State College Transfer of Credit Policy (<http://www.keene.edu/aca/transfer.cfm>). Once admitted students are responsible for becoming aware of, and meeting, the standard established for academic performance at Keene State College. A cumulative grade point average (GPA) of 2.00 is required to be in good academic standing.

TERM AND TERMINATION

This agreement will become effective immediately after all parties have signed. It may be terminated by either party by giving notice in writing to the other party at least twelve (12) months prior to the date of termination.

PROGRAM OVERSIGHT

American Studies

The Great Bay Community College Associate Degree in Liberal Arts in American Studies is administered by the department chair (Rick Walters) and supervised by the Vice President for Academic Affairs (Diane King). The Keene State College Baccalaureate in American Studies is administered by the chair of the department (Michael Antonucci) and supervised by the Dean of Arts and Humanities.

Graphic Design

The Great Bay Community College Associate Degree in Digital Media Technology is administered by the program coordinator (Annette Cohen) and supervised by the Vice President for Academic Affairs (Diane King). The Keene State College Baccalaureate in Art: Graphic Design Option is administered by the chair of the department (Robert Kostick) and is supervised by the Dean of Arts & Humanities.

Early Childhood Education

The Great Bay Community College Associate Degree in Early Childhood Education is administered by the program coordinator (Anita French) and supervised by department chair (Patricia Corbett). The Keene State College Baccalaureate in Education: Early Childhood Development is administered by the chair of the department (Shirley McLoughlin) and supervised by the Dean of Professional and Graduate Studies.

Liberal Arts/Teacher Preparation

The Great Bay Community College Associate Degree in Liberal Arts/Teacher Preparation is administered by department chair (Pat Corbett) and supervised by the Vice President for Academic Affairs (Diane King). The Keene State College Baccalaureate in Education: Elementary Education is administered by the chair of the department (Shirley McLoughlin) and supervised by the Dean of Professional and Graduate Studies.

Management

The Great Bay Community College Associate Degree in **Management** is administered by the department chair (John Burt) and supervised by the Vice President for Academic Affairs (Diane King). The Keene State College Baccalaureate in **Management** is administered by the chair of the department (Linda Hadden) and supervised by the Dean of Sciences.

Marketing

The Great Bay Community College Associate Degree in **Marketing** is administered by the department chair (John Burt) and supervised by the Vice President for Academic Affairs (Diane King). The Keene State College Baccalaureate in **Management** is administered by the chair of the department (Linda Hadden) and supervised by the Dean of Sciences.

Liberal Arts/Business Studies

The Great Bay Community College Associate Degree in **Liberal Arts/Business Studies** is administered by the program coordinator (Jeanne Furfari) and supervised by the department chair (John Burt). The Keene State College Baccalaureate in **Management** is administered by the chair of the department (Linda Hadden) and supervised by the Dean of Sciences.

Computer Technologies

The Great Bay Community College Associate Degree in **Computer Technologies** is administered by the program coordinator (Meg Prescott) and supervised by the department chair (John Burt). The Keene State College Baccalaureate in **Applied Computer Science** is administered by the chair of the department (Mike Hanrahan) and supervised by the Dean of Sciences.

Information Systems

The Great Bay Community College Associate Degree in **Information Systems Technology** is administered by the program coordinator (Kevin Behnke) and supervised by the department chair (Scott Hewitt). The Keene State College Baccalaureate in **Applied Computer Science** is administered by the chair of the department (Mike Hanrahan) and supervised by the Dean of Sciences.

DISPUTE RESOLUTION

Notice of any and all complaints and/or grievances concerning this Agreement shall be provided to the administrators assigned to this contract. Both partners will work collaboratively to solve any said disputes.

ASSIGNMENTS

This Agreement may not be assigned or otherwise transferred by either party, in whole or in part, without the express prior written consent of the other party.

APPLICABILITY OF STATE LAW

This agreement shall be governed and interpreted under the laws of the State of New Hampshire.

APPENDIX A

AA Liberal Arts/American Studies to BA American Studies

AA Liberal Arts/American Studies	http://www.greatbay.edu/?pg=program_detail&prog_id=la_american_studies	BA American Studies
----------------------------------	---	---------------------

The American Studies program offers students an interdisciplinary liberal arts education. Students in American Studies engage in a challenging exploration of historical and contemporary American culture and the American multicultural identity, including its past and present values, conflicts, and experiences. American Studies prepares students for career opportunities in elementary and secondary education; graduate school; law school; business; work in libraries, museums, and historic preservation; newspaper, magazine, broadcast journalism; film or media work; work in federal, state, and local agencies, both public and private; government and politics; nonprofit organizations; writing, editing, and publishing; international relations and diplomacy; public relations and advertising; and social services.

→Language Requirement: Each student must demonstrate proficiency in a language other than English.

GBCC	KSC
AA Liberal Arts/American Studies	KSC Major Requirements
	Core Courses
AMER 110 Introduction to American Studies	IAMST 210 Introduction to American Studies <i>AMER110 can be counted for EITHER IAMST 210 or IAMST 250 but not for both</i>
AMER 110 Introduction to American Studies	IAMST 250 Interpreting American Cultures <i>AMER110 can be counted for EITHER IAMST 210 or IAMST 250 but not for both</i>
	AMST 350 Perspectives on American Culture
AMER 210 American Studies Seminar	AMST 495 Seminar
	Select one of the following:
	• AMST 390 Critical Approaches
	• AMST 490 Advanced Special Topics
	Area Courses
	Select two courses from American History:
	• HIST 261 US Social History I: 1603-1865
	• HIST 265 Military in US Society I
	• HIST 266 Military in US Society II
	• HIST 338 European Encounters in the New World
	• HIST 360 American Colonies until 1763
	• HIST 361 The American Revolution
	• HIST 362 Early American Republic 1789-1850
	• HIST 363 US in the Civil War Period: 1850-1876
	• HIST 364 19 th Century America
	• HIST 365 Gilded Age and Progressive Era

	America
	• HIST 366 US in Crisis: 1920-1950
	• HIST 367 Modern America: 1950-Present
	Select one course in American literature:
	• ENG 280 Cultural Studies
	• ENG 341 Early American Literature
	• ENG 344 Studies in American Literature
	• ENG 345 Studies in African-American Literature
	• ENG 346 Transcendentalism
	• ENG 347 Modern American Indian Literature
	• ENG 370 Studies in Literature of the Americas
	Select two courses from Arts & Humanities and/or Social Sciences
AMER 210 American Studies Seminar	<i>This course will count as one course towards this requirement</i>
	• ART 214 Modern Art
	• IHAMST 248 Cultures of Plains Indians
	• ECON 455 US Economic History
	• IHENG 240 Readings in American Literature
	• IIENG 245 African American Literature and Culture
	• IIFR 240 Franco-American Women's Voices
	• IAMU 112 Latin American Music
	• IAMU 216 History of Rock and Roll
	• MU 218 History of Jazz
	• IAMU 242 Listening to America
	• PHIL 304 American Philosophy
POL 110 American Government	• ISPOSC 210 US Politics
	• ISPOSC 211 US: State and Local Politics
	• POSC 316 Constitutional Law
	• POSC 321 Foreign Policy and Globalization
	• CJS 101 Introduction to Criminal Justice
	• SOC 345 Sociology of Families
	• SOC 270 Urban Society
	• SOC 472 Sociology of Health and Medicine
	• SOC 475 Social Stratification
	• SP 330 Latinos in the United States

APPENDIX J - General Education and Integrative Studies Program Equivalencies

Great Bay Community College General Education Core

Institutional Objective:

This institution holds the belief that the academic program of each student (in completion of the requirements of the major and the general education requirements) provides the opportunity to develop core attributes that support both personal and professional growth and goal achievement.

- **Human Relationship Skills:** The application of values, collaboration skills, standards, ethical judgment, and appreciation of diversity required for personal and professional interaction,
- **Communication Skills:** The ability to express ideas and share knowledge in a clear, focused, and organized manner.
- **Critical Thinking:** The ability to analyze, synthesize, and evaluate information in a logical and coherent manner.
- **Global Perspectives:** The ability to examine a concept in contexts and from perspectives other than one's own.
- **Quantitative Reasoning:** The application of computational methods and numerical data interpretation to solve problems.
- **Scientific Processes:** The application of scientific methods to gain knowledge and examine the laws, theories, and processes of physical and biological phenomena.
- **Technical Skills:** The theoretical and applied knowledge for career entry and continued professional development
- **Study Skills:** The application of strategies, resources, and attitudes to find solutions and gain knowledge.

Associate in Arts Degree: Liberal Arts

Associate in Arts Degree: Specialized Transfers

Associate in Science Degree (A.S.)

GBCC General Education Core: 27 credits

KSC ISP

Requirements – 44 credits (11 Courses), with a minimum of eight credits (2 courses) at the 300 and/or 400 level.

Students may have limitations as to how to apply credits toward ISP depending on their chosen major.

All KSC students completing majors in the School of Arts and Humanities must complete one semester of a language other than English.

GBCC General Education	KSC ISP
ENGL 110	ITW 101
MATH 225	IQL 101

Science or Lab Science Any CHEM, PHYS and any BIO except 041, 110, 120, 150, 160 and BTEC except 223	IN (minimum 8 credits [2 courses] to meet ISP requirements in two different disciplines)
Social Science AN, ECON, GEOG, POL, PSYC, SOC 120, 250, CRJ 150	IS (minimum 8 credits [2 courses] to meet ISP requirements in two different disciplines)
AMER 110, 210 BIOL 160, SOC 135	II (minimum 4 credits [1 course] to meet ISP requirements)

APPENDIX K

BA Earth/Space Science

This program is designed to prepare candidates for teaching Earth/Space science in grades 7-12. In addition to meeting all of the degree requirements set by Keene State College (Earth/Space, education, and integrative studies), this program will result in certification for secondary school teaching by the State of New Hampshire in a nationally recognized science education program.

Please note that students seeking certification at the secondary level in Earth and Space Science should refer to the Secondary Education option in the Education major section of the catalog for a list of additional course requirements.

BA in Earth/Space Science with Secondary Education Certification – 126 credits

BA without certification – 120 credits

GBCC	KSC
	Major Requirements
	INGEOL 151 Physical Geology
	GEOL 206 Oceanography
	GEOL 301 Mineralogy
	GEOL 305 Paleontology
	GEOL 306 Sedimentation and Stratigraphy
	GEOL 315 Environmental Geology
	INMET 225 Meteorology
CHEM 115 General Chemistry I	INCHEM 111 General Chemistry I & Lab
CHEM 116 General Chemistry II	CHEM 112 General Chemistry II & Lab

	BIO 111 Evolution
MATH 225 Probability and Statistics	MATH 141 Statistics
	Select one of the following:
	• INASTR 107 Introduction to Astronomy
	• ASTR 307 University Astronomy
	Select one of the following:
MATH 150 College Algebra	• MATH 120 Applied Algebra and Trigonometry
MATH 210 Precalculus	• MATH 130 Precalculus
MATH 230 Calculus I	• MATH 151 Calculus I

BA Economics

The BA in Economics combines rigorous training in economic theory with application to contemporary issues such as globalization, financial market volatility, and the environment. The Economics program is a tightly knit community, and majors and minors can expect to work closely with faculty and with each other. The economic honors society, Omicron Delta Epsilon, organizes field trips to conferences and brings in visiting speakers and alumni. Recent graduates have gone on

to careers in business and government, to law school, and to graduate programs in economics and politics, as well as MBA programs.

GBCC	KSC
	KSC Major Requirements
	Core Courses
	IHPHIL 100 Logical Argumentation
	Select one of the following:
MATH 225 Probability and Statistics	MATH 141 Introductory Statistics
	PSYC 251 Psychological Statistics
ECON 235 Microeconomics	ECON 103 Introduction to Microeconomics
ECON 234 Macroeconomics	ISECON 104 Introduction to Macroeconomics
	ISECON 360 History of Economic Thought
	ECON 203 Intermediate Microeconomics
	ECON 204 Intermediate Macroeconomics
	ECON 491 Economic Research Project
	Economics Electives
	12 credits of 300- or 400-level Economics courses

BA English: Literature Option

Students in the literature option read a wide range of literature from various cultures and historical periods. English/Secondary Education majors must choose the Literature option and take one additional course, ENG 312 Descriptive Grammar.

LANGUAGE REQUIREMENT: Each student must demonstrate proficiency in a language other than English as specified by the Language Requirement for students with majors in the School of Arts and Humanities.

GBCC	KSC
	Major Requirements
	Complete a minimum of 10 courses
ENGL 127 Introduction to Literary Analysis OR ENGL 117 Introduction to Literature	ENG 215 Literary Analysis
	ENG 315 Literary Form and History
	ENG 395 Sequence I
	ENG 495 Sequence II
	Six additional English courses: one 200 level, four at 300 level, and one at 400 level – either ENG 402 or ENG 490. At least four of these six courses must be in literature. One course must be in pre-1800 literature. One course must be a Differing Cultural Perspectives course.
	Courses that meet the pre-1800 requirement:
	- ENG 321 English Literature: Beginnings to 18th Century - ENG 323 Medieval Literature

	• ENG 324 Chaucer
	• ENG 341 Early American Literature
	• ENG 326 English Renaissance Literature
	• ENG 327 Shakespeare: Poetry and Plays
	Courses that meet the Differing Cultural Perspectives requirement:
	• IHAMST 248 Cultures of Northern Plains Indians
ENGL 120 Introduction to African-American Literature and Culture	• IENG 245 Readings in African American Literature and Culture
	• IHENG 252 Literature of the Holocaust
	• ENG 345 Studies in African American Literature
	• ENG 347 Modern American Indian Literature
	• ENG 370 Studies in Literatures of the Americas
	When appropriate, the following may fulfill either the pre-1800 literature or Differing Cultural Perspectives requirement:
ENGL 225 The Plays of William Shakespeare	• IHENG 220 Readings in British Literature
ENGL American Literature through the Civil War	• IHENG 240 Readings in American Literature
	• IHENG 250 Readings in Continental Literature
	• IHENG 260 Readings in World Literature
ENGL American Literature through the Civil War	• ENG 290 Topics
	• ENG 330 Studies in British Literature
	• ENG 344 Studies in American Literature
	• ENG 350 Studies in Continental Literature
	• ENG 360 Studies in World Literature
	• ENG 370 Studies in Literature of the Americas
	• ENG 381 Women Writers
	• ENG 390 Studies
	• ENG 395 Advanced Sequence I
	• ENG 490 Advanced Studies
	• ENG 495 Advanced Sequence II

BA General Science

The BA in General Science provides a broad-based foundation in three major areas: Earth/Space Science, Life Science, and Physical Science. This major would provide general science knowledge for working in science museums, zoos, science camps, or state or national parks.

GBCC	KSC
	Major Requirements
	INASTR 101 Introduction to Astronomy
	BIO 110 Molecules and Cells
	BIO 111 Evolution
	INGEOL 151 Physical Geology
	GEOL 206 Oceanography
	INMET 225 Meteorology
	Select one course:

MATH 150 College Algebra MATH 210 Precalculus MATH 230 Calculus I	• MATH 120 Applied Algebra and Trigonometry • MATH 130 Precalculus • MATH 151 Calculus I
	Bachelor of Arts Requirements
MATH 225 Probability and Statistics	MATH 141 Introductory Statistics
BIOL 230 General Ecology	BIO 210 Ecology
CHEM 115 General Chemistry I	INCHEM 111 General Chemistry I
CHEM 116 General Chemistry II	CHEM 112 General Chemistry II
	CHEM 221 Organic Chemistry I
	CHEM 222 Organic Chemistry II
	GEOL 252 Evolution of the Earth
PHYS 135 College Physics I	INPHYS 141 College Physics I
	PHYS 142 College Physics II
	In addition to the above, complete a specialization (three or more courses at 300 level or higher) in <u>one</u> of the following areas: Biology, Chemistry, Environmental Studies, or Geology

BA General Science: Education

The BA in General Science provides a broad-based foundation in three major areas: Earth/Space Science, Life Science, and Physical Science. It is an ideal major for the pre-service elementary or middle school teacher as it addresses national recommendations for improving science education with an activity and hands-on focus. The middle school option meets New Hampshire state certification requirements for grades 5-9

Students must fulfill the “major requirements” below while also selecting either educational level option also found below. In addition, degree requirements must be met for the Education major (as listed in the college catalog under “Education”) at the chosen level (see following breakdown of hours)

BA in General Science: Education – dual major

- *Elementary: 48 hours Gen Sci major, 48 hours elementary education courses*
- *Middle School: 60 hours Gen Sci major, 34 hours education courses*

GBCC	KSC
	Major Requirements
	INASTR 101 Introduction to Astronomy
	BIO 110 Molecules and Cells
	BIO 111 Evolution
	INGEOL 151 Physical Geology
	GEOL 206 Oceanography
	INMET 225 Meteorology
	Select one course:
MATH 150 College Algebra MATH 210 Precalculus	MATH 120 Applied Algebra and Trigonometry MATH 130 Precalculus

MATH 230 Calculus I	MATH 151 Calculus I
	Elementary or Early Childhood Option
CHEM 110 Introduction to Chemistry	INCHEM 103 Fundamentals of Chemistry
	INPHYS 201 Phenomenal Science
	GM 301 The Web of Science
	Also select two additional science courses at the 200 level or higher in either the same or different areas: Biology, Chemistry, Environmental Studies, and/or Geology
	Middle School Option
CHEM 115 General Chemistry I	INCHEM 111 General Chemistry I
CHEM 116 General Chemistry II	CHEM 112 General Chemistry II
BIOL 230 General Ecology	BIO 210 Ecology
MATH 225 Probability and Statistics	MATH 141 Introductory Statistics
	INPHYS 201 Phenomenal Science
	IIPHYS 210 History of Science
	Also complete a specialization (two or more additional courses at the 200 level or higher) in one of the following areas: Biology, Chemistry, Environmental Studies, or Geology.

BA History

By combining the development of specific skills with the acquisition of a body of historical knowledge, the History major prepares students for successful careers in primary and secondary education (history and social studies), business and industry, and governmental service. The major also prepares students for graduate study in history, law, and other academic and professional fields.

Students majoring in History are required to complete 36 credit hours in History, 20 credits of which must be in **one** of the following areas of specialization:

- US History
- European History
- 19th-Century Studies
- 20th-Century Studies

At least 16 of the 20 credit hours toward the area of specialization must be at the 300 level (or higher). At least 4 of the 20 credit hours must be at the 400 level.

Students majoring in History must also complete History 200: Reading and Writing in History.

→Language Requirement: Each student must demonstrate proficiency in a language other than English.

MAJOR REQUIREMENTS

36 credits

- 4 credits at the 100 level
- 8 credits at the 200 level, including History 200
- 16 credits at the 300 level
- 8 credits at the 400 level

Following are listings of GBCC courses which match available KSC courses:

GBCC	KSC
HIST120 Western Civilization through 1500 or HIST130 Western Civilization-1500 to the Present	Meets the 4 credit 100-level requirement <i>Equivalent to HIST 141 Western Civilization 1 - Origins to 1500 & HIST 142 Western Civilization 2 – 1500 to the Present</i>
HIST202 United States History through 1870	HIST 261 US Social History I: 1603-1865
HIST204 United States History - 1870 to the Present	HIST 262 US Social History II
HIST203 Topics in History HIST210 History of China	HIST 290 Special Topics

BA Psychology

The psychology program prepares students for success in a graduate program in psychology and/or a career in a psychology related field. The program exposes students to the methodologies, problems, bodies of knowledge, and broad range of perspectives found currently in psychology.

The application process for formal admission to the Psychology major occurs during the first or second semester of the sophomore year, e.g., upon completion of PSYC 101, PSYC 251, and either PSYC 242 or PSYC 253. To be admitted to the major, the student must achieve a minimum GPA of 2.5 and no less than a grade C in any of these three courses, and must be in good academic standing with the College.

	PSYC 451 Motivation
	PSYC 453 Sensation and Perception

BA Sociology

The Sociology program offers students knowledge and resources to search systematically for answers to questions about society. Sociology students develop a sociological imagination, which is the ability to grasp the close relationship between personal experiences and the larger social world. Our majors study social and cultural forces that shape individual and group behavior using a variety of scientific methods such as surveys, interviews, observation, and content analysis. By studying and critically assessing sociological theories, sociology students also describe, interpret, and explain how the world works.

Core courses provide excellent training in sociological concepts, theories, and methods. Electives focus on topics like the environment, popular culture, families, inequalities, race and ethnicity, crime and deviance, anthropology, and global society. Sociology majors may also engage in community research, service-learning projects, internships, and travel through coursework. Students with a bachelor's degree in sociology are well prepared for graduate and professional studies and careers using their interpersonal skills and specialized knowledge in the areas of education, social services, human rights, health and wellness, justice, advocacy, and research.

To earn a degree in Sociology, the student must earn a grade C or better in the following core courses: SOC 201, SOC 301, SOC 303, and SOC 305. Courses may be retaken as needed to meet this requirement.

GBCC	KSC
	Core Courses
SOC 110 Sociology	SOC 201 Introduction to Sociology Major

BS Education: Secondary Education

Building on the historical legacy of teacher preparation at Keene State College, the Education program mission is to prepare competent, reflective classroom teachers and other professional school personnel who utilize effective teaching practices and who create developmentally appropriate educational environments for diverse learners. Keene State College has been an NCATE accredited institution since 1954.

Transfer Credits - Students who wish to transfer credits into a teacher certification option must apply through the department chair. **NOTE:** The PRAXIS must be passed prior to acceptance to KSC Education program.

Liberal Arts Major - The New Hampshire State Department of Education requires students completing Education majors to also demonstrate depth of knowledge in a content area. Therefore, Education majors must also fulfill requirements of a liberal arts major.

Students seeking certification in **Middle or Secondary Education** are required to complete a liberal arts major in **one** of the following areas:

- Biology
- Chemistry
- Chemistry – Physics
- Earth/Space Science
- English
- General Science
- Geography
- Geology
- History
- Mathematics
- Modern Languages (French or Spanish)
- Physical Science
- Social Science

It is **STRONGLY** recommended that a transfer student complete a number of these courses in their selected liberal arts major prior to transfer to ensure course sequencing and to enter KSC with a solid foundation.

BS Health Science: Health Promotion/Wellness option

Health Promotion and Wellness option graduates work to change policies, environments, attitudes, and behaviors that affect health. The Community Health specialization prepares students for professional careers in community health education, global health, or for graduate programs in public health or health education. The Behavior and Health Specialization prepares students for such graduate programs as Health Psychology, Pain Management, or Behavioral Health.

By the fall 2012 semester, INHLSC 175 will replace all the following courses:

- HLSC 115 Nutrition and Well-Being
- HLSC 125 Nutrition and the Profession
- HLSC 214 Nutrition Fundamentals

BS Health Science: Nutrition

As an option under the BS in Health Science, this nutrition option provides the basic academic preparation necessary to become a registered dietitian (RD). Certification as an RD is often mandatory for professional positions and requires completion of an approved postgraduate supervised practice program.

Typically, a student who successfully completes the ADA-approved curriculum, an ADA-accredited internship or pre-professional practice program, and the registration examination becomes qualified as a health professional responsible for services in areas such as nutrition service-related management, clinical or community dietetics, education, consultation, private practice, and research.

By the fall 2012 semester, INHLSC 175 will replace all the following courses:

- HLSC 115 Nutrition and Well-Being
- HLSC 125 Nutrition and the Profession
- HLSC 214 Nutrition Fundamentals

BS Health Science: Substance Abuse/Addictions

The Substance Abuse/Addictions option at Keene State College is an academic program with practical training in preparation for further studies in the field or entry-level employment in Substance Abuse/Addictions. The program provides students with a theoretical understanding of substance abuse and addictions and an introduction to counseling, treatment, and related practices.

Depending on the criteria of each state, the work in this Substance Abuse/Addictions program may be applied toward becoming a licensed or certified alcohol and drug abuse counselor or prevention specialist.

By the fall 2012 semester, INHLSC 175 will replace all the following courses:

- HLSC 115 Nutrition and Well-Being
- HLSC 125 Nutrition and the Profession
- HLSC 214 Nutrition Fundamentals

BS Mathematics – Physics --- Engineering Transfer Program

These programs prepare students to transfer to engineering schools after completing integrative studies requirements and foundation courses in mathematics, physics, chemistry, and computer science at Keene State College. Students are given personal advising and assistance in placement at the engineering school of their choice. The College at present has transfer agreements at the University of New Hampshire and Clarkson University, as well as individual transfer arrangements with engineering schools in New England and New York State. In 3+2 programs, students are encouraged to complete certain engineering science introductory courses at the engineering school during the summer following their sophomore year.

3+2 Program

Students spend three years at Keene State and two years in engineering school and receive a BS in Math–Physics from Keene State College and an appropriate BS in Engineering. Keene State has a formal 3+2 transfer agreement with Clarkson University in Potsdam, New York. Students who wish to continue receiving Financial Aid must postpone graduation from Keene State until all requirements are fulfilled at both institutions.

BS Mathematics – Physics

This interdisciplinary program provides sufficient groundwork in both mathematics and physics for employment in industry, the commercial sector, or further study in graduate school. Students who are interested in an engineering degree may elect this program, complete major requirements over three years, transfer to an engineering school of choice, and be awarded both the B.S. in Mathematics-Physics from Keene State and the appropriate engineering bachelor's degree.

BS Physical Education: Exercise Science Option

Exercise Science is a multidisciplinary science-based program, which is fast growing and ever changing. It is intended for students who would like to pursue a career in exercise science, sports medicine, or allied health. Exercise Science is an area of study that prepares students for a variety of professions that include competitive sports, community recreation, health and wellness, rehabilitation, and medicine.

Transfer students may be eligible to apply for admission after one semester at KSC, but must have completed INCHEM 100 Introduction to Chemistry or an equivalent course and BIO 230 Human Anatomy and Physiology I or an equivalent course before applying. Criteria for admission are as follows:

Criteria for admission into Exercise Science degree program

- Academic progress: Overall GPA of 2.5, major GPA of 2.5 and a grade of C or higher in the following courses:
 - HLSC 101 Health and Wellness
 - PE 191 Standard First Aid/CPR
 - PE 250 Concepts of Exercise Training
- Professional recommendations: Two recommendations for admission by KSC faculty (minimum one faculty member recommendation from outside of the Physical Education Department)
- Professional orientation: Documentation of progress in professional role modeling, professional writing, and professional experience

Retention standards

- Enrollment in PE 372, PE 472, and PE 492 requires the following standards:
 - Student must receive a C or better in all required Exercise Science option courses
 - Student must maintain a cumulative GPA of 2.5 and a major GPA of 2.5

	Allied Requirements
CHEM 110 Introduction to Chemistry	INCHEM 100 OR INCHEM 103 OR INCHEM 111
BIOL 110 Human Anatomy & Physiology I	BIO 230 Human Anatomy & Physiology I
BIOL 120 Human anatomy & Physiology II	BIO 232 Human Anatomy & Physiology II
PSYC 110 Introduction to Psychology	ISPSYC 100 Topics in Psychology
	Exercise Science Option Requirements
	HLSC 101 Health and Wellness
	PE 191 Standard First Aid/CPR (1 credit)
MASS 130 Kinesiology I	PE 200 Applied Kinesiology
MASS 230 Kinesiology II	
	PE 201 Physiology of Exercise
	PE 250 Concepts of Exercise Training
	PE 232 Exercise Programming and Testing
	PE 335 Advanced Strength and Conditioning
	PE 344 Sports Nutrition
	PE 372 Practicum: Exercise Leadership
	PE 460 Experimental Design and Analysis in PE
	Select one: PE 472 Exercise Science Externship (4-12 cr) PE 492 Exercise Science Seminar
	Specialization requirements
	Complete one of the following areas:
	• Health Specialization
	HLSC 285 Health in Society

PSYC 235 Health Psychology	Select one: HLSC 330 Health Psychology IIPE 310 Psychosocial Aspects of Sport
	HLSC 431 Stress Management
	• Coaching Specialization
	PE 210 Introduction to Coaching
	Select one: MGT 260 Sports Management IIPE 310 Psychosocial Aspects of Sport
	PE 371 Coaching Practicum

SCOPE OF THE AGREEMENT

This Agreement and its Appendices contain the entire Agreement of the parties and cancels and supersedes any previous understanding or Agreement, whether written or oral. All substantial changes or major modifications to this Agreement must be agreed to in writing between the parties.

Use of Agreement in Electronic Form: Both parties agree that they may (a) convert this Agreement to electronic form; (b) retain it solely in such form; and (c) in the event of any dispute, provide it in such form or a copy from such form. The parties further agree that the Agreement in such form (or a copy), including the application of industry security standards for digital signatures, shall not be denied legal effect, validity, or enforceability due to its form and shall meet any requirement to provide an original.

SIGNATURE SECTION

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective signatory officials thereunto duly authorized as of the day and year first above written.
