TTU and Northeast Texas Community College agree that the Pathway Initiatives shall include the following:

1. The Division of Enrollment Management at TTU will provide admissions counseling and enrollment information to Northeast Texas Community College students interested in transferring to Texas Tech. Reporting of students will begin as soon as an addendum to this MOU is agreed upon and signed by the registrars of Northeast Texas Community College and TTU providing the individual student has provided consent at the time of application.
6. The Division of Enrollment Management will promote the seamless transfer of students to TTU by ensuring that information on the transfer equivalency for Northeast Texas Community College course(s) is current and readily available to both students and academic advisors at your college.
7. Northeast Texas Community College will promote communication about Pathway Initiatives with its faculty, staff and students.
8. TTU encourages the development of articulation agreements. All agreements should be on file in the TTU Office of the Provost. Northeast Texas Community College agrees to initiate articulation agreement discussions when deemed necessary.
