Academic Articulation Agreement Columbus Technical College and Troy University

This Articulation Agreement between Columbus Technical College and Troy University (TROY) serves to identify the courses that may be transferred from CTC to Troy. This agreement will foster inter-institutional cooperation and allow graduates of CTC to know in advance which courses will transfer to a baccalaureate degree at TROY. The attached transfer matrix will be honored for a period of four (4) years subject to course changes at either institution. The following conditions must be met by CTC graduates wishing to transfer to TROY.

1. Students seeking predetermined transfer credit from CTC to be applied to TROY must have completed all associate degree requirements and graduated from CTC.
2. CTC must retain its Regional Accreditation.
3. Students must be officially admitted according to the admission requirements as established by TROY University.
4. Transfer credits from CTC will be accepted by TROY University in accordance with the attached course transfer matrix. Transfer courses must have a grade of "C" or higher to be eligible for transfer.
5. Transferability of CLEP credit and advanced placement credit will be determined by TROY.
6. Transfer students must have a complete official transcript from CTC forwarded to the appropriate Troy University Admission Office.
7. The attached transfer matrix will have identified all CTC courses that will transfer for TROY courses.
8. All junior college transfer students must earn a minimum of 50% of all degree program hours on a senior college level in order to graduate from TROY with a bachelor's degree.
9. Transfer students will be eligible for unconditional admission to TROY with a "C" average (2.0 on a 4.0 scale) on at least 24 semester hours of college work attempted excluding developmental courses.
10. When a course sequence is required, it is recommended that students complete the sequences courses at one institution.
11. Changes made by accrediting and other regulatory agencies such as the Alabama State Department of Education, Southern Association of Colleges and Schools (SACS), NCATE or the Alabama Commission on Higher Education could result in specific requirements being added to this agreement.
12. Transfer students with a grade point average (GPA) of 1.70 to 1.99 on a 4.0 scale may be admitted as conditional students in accordance with the TROY Catalog. These students must earn a 2.0 GPA on the first 24 semester course hours attempted at TROY. Students failing to achieve this average will be dropped from the program and will be unable to re-enter TROY until obtaining an overall 2.0 GPA on all college work attempted, excluding developmental courses. A conditionally admitted transfer student will be permitted to take a maximum of 13 semester hours until clearing the conditional status and may be required to take a special course in the first two terms of enrollment.

13. Transfer students serving a suspension from CTC are eligible to apply for admission to TROY after serving the suspension period from CTC. Students on disciplinary suspension must be eligible to return to CTC before being considered for admission to TROY.

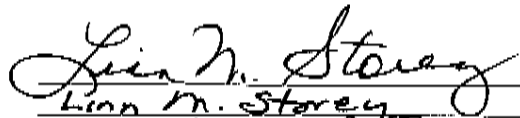

The attached transfer matrix involving TROY and CTC courses will enable transfer students to have advanced information regarding guaranteed transferability.
