College of Agricultural, Consumer and Environmental Sciences
New Mexico State University

From: Judith E. Doerr, Director of Curriculum, Learning and
Assessment

Date: May 24, 2012

Subject: Articulation Agreement

I have attached the signed copy of the 2+2 articulation agreement for the B.S. in Agriculture between Cochise College and New Mexico State University.

We are delighted that our students will have this new opportunity for transfer to NMSU and appreciate the professionalism and positive approach that has characterized the work between our two institutions.

I hope that this will be the beginning of an effective relationship between Cochise and NMSU that will expand in future to cover additional baccalaureate degrees.

Thank you.

ARTICULATION AGREEMENT

COCHISE COLLEGE

and

NEW MEXICO STATE UNIVERSITY
MAIN CAMPUS

2+2 – B.S. Degree in Agriculture

The College of Agricultural, Consumer and Environmental Sciences at New Mexico State University accepts the courses in the attached list from Associate of Applied Science degree program toward the pursuit of a B.S. Degree in Agriculture. This agreement incorporates the lower division general education transfer guidelines established by the New Mexico Commission on Higher Education.

This agreement will be reviewed periodically by both parties and will be subject to changes upon agreement by both parties. Cochise College agrees to notify the College of Agricultural, Consumer and Environmental Sciences if changes in course descriptions or content occur. As Cochise College courses or programs change, this agreement must be modified to reflect those changes. The agreement can be rescinded at the discretion of either party with ninety days notice.
