

**COLUMBUS STATE UNIVERSITY
AND
ANDREW COLLEGE
ARTICULATION AGREEMENT**

October 2010

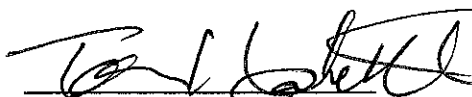

Columbus State University and Andrew College agree as follows:

1. Purpose: The two institutions are entering into an Articulation Agreement to assist in the transferability of credit hours from the Andrew College to Columbus State University for students in Business, Education, and Servant Leadership.
2. Term: Terms of this agreement will be effective as of October 1, 2010. Either institution may terminate this Agreement upon giving written notice to the other institution. Such notice should be given one full semester prior to the agreement being cancelled.
3. Condition: This agreement ensures ease and flexibility of transfer of courses from Andrew College to Columbus State University as provided therein.

**Columbus State University
and
Andrew College
Articulation Agreement
Bachelor of Business Administration**

1. The Bachelor of Business Administration Program will be open to Andrew College graduates with an Associate of Science in Business Administration degree. Students must have earned a minimum grade of C in each course in Area A and Area F and also a GPA of at least 2.5 for the combined coursework in Areas A and F.
2. Andrew College graduates will receive transfer credits for courses completed at Andrew College toward Columbus State University's general core requirements and program of study as indicated in #5 and #6 below.
3. Students must satisfy residency and program required upper division hours to graduate from Columbus State University. The CSU BBA program has 3 hours of non-business electives. The CSU BBA program requires that students earn grades of "C" or better in Math 1111 College Algebra and Math 1125 Calculus or higher as prerequisites for certain upper division courses.
4. Maximum allowable credit hours for transfer from Andrew College to Columbus State University for the Business Administration Program will be 63 semester hours.
5. Articulated transfer courses from Andrew College shall be as provided below:

ANDREW COLLEGE COURSE		APPLIES TO CSU COURSE	
BUS 121	Principles of Accounting I	ACCT 2101	Principles of Accounting I
BUS 122	Principles of Accounting II	ACCT 2102	Principles of Accounting II

SOC 121	Intro to Sociology	3	SOCI 1101	Introductory Sociology	3
World Cultures: Select one of the following courses (not a course already used to satisfy Area B Seminar requirements)					
HIS 101	Survey World Civilization	3	HIST 1111	Survey of World History 1	3
HIS 102	Survey of World Civilization	3	HIST 1112	Survey of World History 2	3
Wellness (3 hours)					
			PHED 1205	Concepts of Fitness	2
			PEDS 1***	Select any 1 hour 1000 level PEDS course	1
Area F Related to Major (18 hours) See item 5 above.					

**Columbus State University
and
Andrew College
Articulation Agreement
Early Childhood Education**

1. The Bachelor of Science in Education, Early Childhood will be open to Andrew College graduates with an Associate of Science in Early Childhood Education degree and a cumulative GPA of at least 2.5 to pursue the Bachelor of Science in Education, Early Childhood at Columbus State University.
2. Andrew College graduates will receive transfer credits for courses completed at Andrew College toward Columbus State University's general core requirements and program of study. **Note: A minimum grade of "C" is required in Area A mathematics requirements, in Area D science requirements, and in all Area F requirements.**
3. Regardless of the total number of semester credit hours allowed in transfer, a minimum of 30 semester hours must be taken in residence at Columbus State University after the student has qualified as a junior. Baccalaureate degrees require a minimum of 39 semester hours of upper division coursework (numbered 3000 or above).
4. Additional hours must be scheduled at Columbus State University to satisfy at least 129 semester hours required for graduation.
5. Prior to enrolling in upper level courses, Early Childhood Education majors must meet all requirements for admission to the Teacher Education Program. Requirements include satisfactory performance on the GACE Basic Skills examination or an exemption based upon satisfactory scores on the SAT, ACT or GRE tests, a completed background check, and a passing score on the Regents' Test.
6. EDU 227 Identification & Instruction of Exceptional Learners will transfer from Andrew College and count in Area G for SPED 2256 Introduction to the Exceptional Learner in General Education.
7. Articulated Area F transfer courses from Andrew College shall be as provided below:

Columbus State University Course	Andrew College Course
Area F: Courses Related to Major (18 hours)	
EDUC 2110 Investigating Issues in Education	EDU 211 Investigating Issues in Education
EDUC 2120 Exploring Socio-Cultural Contexts on Diversity in Educational Settings	EDU 212 Exploring Diversity in Education
EDUC 2130 Exploring Learning and Teaching	EDU 213 Exploring Learning & Teaching
MATH 2008 Foundations of Numbers and Operations	Must be taken at CSU
ISCI 2001 Life and Earth Science	Must be taken at CSU
ISCI 2002 Physical Science	Must be taken at CSU

**Columbus State University
and
Andrew College
Articulation Agreement
Bachelor of Science in Mathematics, Secondary Education Track**

1. The Bachelor of Science in Mathematics – Secondary Education Track will be open to Andrew College graduates with an Associate of Science in Secondary Mathematics Education degree and a cumulative GPA of at least 2.5 to pursue the Bachelor of Science in Education – Secondary Education Track at Columbus State University.
2. Andrew College graduates will receive transfer credits for courses completed at Andrew College toward Columbus State University’s general core requirements and program of study. **Note: A minimum grade of “C” is required in Area A and D mathematics requirements and in all Area F requirements.**
3. Regardless of the total number of semester credit hours allowed in transfer, a minimum of 30 semester hours must be taken in residence at Columbus State University after the student has qualified as a junior. Baccalaureate degrees require a minimum of 39 semester hours of upper division coursework (numbered 3000 or above).
4. Additional hours must be scheduled at Columbus State University to satisfy at least 123-126 semester hours required for graduation.
5. Prior to enrolling in upper level education courses, Mathematics Secondary Education majors must meet all requirements for admission to the Teacher Education Program. Requirements include satisfactory performance on the GACE Basic Skills examination or an exemption based upon satisfactory scores on the SAT, ACT or GRE tests, a completed background check, and a passing score on the Regents’ Test.
6. Articulated Area F transfer courses from Andrew College shall be as provided below:

Columbus State University Course	Andrew College Course
Area F: Courses Related to Major (18 hours)	
MATH 1131 Calculus/Analytical Geometry 1 (one semester hour from Area A or D)	Math 202 Calculus/Analytical Geometry 1
MATH 1132 Calculus/Analytical Geometry 2 (four semester hours or one semester hour from Area D)	Math 203 Calculus/Analytical Geometry 2
MATH 2135 Calculus/Analytical Geometry 3	Must be taken at CSU
MATH 2115 Introduction to Linear Algebra	Must be taken at CSU
MATH 1165 Computer-Assisted Problem Solving	Must be taken at CSU
Guided electives ¹ (3-6 hours)	Must be approved by CSU faculty advisor

¹Guided elective will be selected from among freshman and sophomore level courses in science, business, and education based upon student interests and career goals and requiring the approval of a faculty advisor and the Mathematics Department Chair.

7. Articulated Area G transfer courses from Andrew College shall be as provided below. Courses must include a total of 100 field experience hours. Additional courses will be required in Area G to meet specific program requirements.

Columbus State University Course	Andrew College Course
Area G: Program Requirements	
EDUC 2110 Investigating Issues in Education	EDU 211 Investigating Issues in Education
EDUC 2120 Exploring Socio-Cultural Contexts on Diversity in Educational Settings	EDU 212 Exploring Diversity in Education
