Although a student may express an intention toward a particular major upon entering the University, s/he must officially file a Graduation Plan for their chosen major in the semester after completing 60 credit hours toward a degree. Students transferring with more than 60 hours will be asked to file a graduation plan during the first semester of enrollment. In order to file a graduation plan, students must have a cumulative GPA of 2.0 or higher, have Math 1100 completed with a C- or better, have English 1000 completed with a C- or better, and meet any additional departmental requirements. Students must complete additional departmental requirements in order to file a graduation plan for the majors listed below. The requirements may not necessarily have to be met to transfer into the major, but they are required to file a graduation plan.
