For subplan requirements, all classes will transfer over as general free electives. Some considerations will be made to MAR 2011 (Drexel equivalent=MKTG 301) and to ENT 1000 (Drexel equivalent=MGMT 260) which will be transferred to Drexel at 4 credit hours, increasing the overall hours to 13 in the subplan core area (ENT Subplan or MKT Subplan)

To receive transfer credit, the courses must be substantially equivalent to courses offered in the desired curriculum at Drexel and you must have completed the courses with a grade of C (C=2.0) or better. The transfer courses listed should be used as a general guide and might not be acceptable for every major at the University. We make every effort to keep this guide current but cannot guarantee that every course will be acceptable for transfer. The number of credits you can transfer will be determined by the academic department once you've been accepted.
