*Certification Areas: Elementary PK-4, Elementary PK-4/Special Education, Middle Level Math & English, Middle Level Math & Science, Middle Level Science & English - Note: Math Electives should address Linear Algebra and Probability.

To receive transfer credit, the courses must be substantially equivalent to courses offered in the desired curriculum at Drexel and you must have completed the courses with a grade of C (C=2.0) or better. The transfer courses listed should be used as a general guide and might not be acceptable for every major at the University. We make every effort to keep this guide current but cannot guarantee that every course will be acceptable for transfer. The number of credits you can transfer will be determined by the academic department once you've been accepted.
