TOTAL SEMESTER CREDITS		60	TOTAL QUARTER CREDITS		65.5

*Certification Areas: Biology, Chemistry, Earth & Space Science, General Science, Mathematics, Physics, Environmental Education

To receive transfer credit, the courses must be substantially equivalent to courses offered in the desired curriculum at Drexel and you must have completed the courses with a grade of C (C=2.0) or better. The transfer courses listed should be used as a general guide and might not be acceptable for every major at the University. We make every effort to keep this guide current but cannot guarantee that every course will be acceptable for transfer. The number of credits you can transfer will be determined by the academic department once you've been accepted.
