

ARTICULATION AGREEMENT  
BETWEEN  
ORANGE COUNTY COMMUNITY COLLEGE  
AND  
FAIRLEIGH DICKINSON UNIVERSITY

FAIRLEIGH DICKINSON UNIVERSITY  
AND  
ORANGE COUNTY COMMUNITY COLLEGE  
A DIRECT TRANSFER AGREEMENT  
(9/17/82)

1. Based upon programmatic and course descriptions found within the 1981-82 Orange County Community College catalog, Fairleigh Dickinson University agrees to accept, on a direct transfer basis with junior status, graduates of Orange County Community College as follows:

<u>Orange County Community College</u>	<u>Fairleigh Dickinson University</u>
A.A.S. in Dental Hygiene	B.S. in Dental Hygiene (Program attached as Appendix A)

2. All Orange County Community College students who have graduated within the past 5 years or who will graduate with the above designated degree are eligible. If a student has substituted courses within a program, transfer eligibility will be evaluated on a course-by-course basis.
3. Any programmatic changes made by either institution will be reported to the other for the purposes of review. In any case, both institutions will review this articulation agreement every five years.
4. This agreement may be described in the catalogs of Fairleigh Dickinson University and Orange County Community College.
5. This agreement may be terminated by either party, upon written notification, one year after such notification is received; while change in accreditation status of either institution constitutes grounds for immediate termination of this agreement.
6. Students are bound by all regulations of Fairleigh Dickinson University.
