

**AGREEMENT BETWEEN
THE CITADEL GRADUATE COLLEGE
AND
HORRY-GEORGETOWN TECHNICAL COLLEGE**

Leading to a Bachelors of Arts Degree in Criminal Justice

I-INTRODUCTION

This agreement establishes a formal academic transfer mechanism between Horry-Georgetown Technical College and The Citadel. Its purpose is to promote and facilitate the transfer of academic credit for specified courses taken by students while enrolled at Horry-Georgetown Technical College, either in the Associate in Arts program or as part of the Associate in Applied Science in Criminal Justice, who desire to enter into the baccalaureate degree program in criminal justice offered by The Citadel through its Evening Undergraduate Studies program.

II-TERMS OF THE AGREEMENT

Under the terms of this agreement, Horry-Georgetown Technical College agrees to join with The Citadel in a mutual effort to provide for enhanced educational opportunities for their students.

This agreement will enable academically qualified students to pursue a Bachelor of Arts degree in criminal justice in conjunction with or subsequent to the completion of their studies at Horry-Georgetown Technical College. Horry-Georgetown Technical College agrees to offer a display of courses that are academically equivalent to selected general educational requirements and criminal justice courses for the students in the Evening Undergraduate Studies program at The Citadel (see attached curriculum display). The offering of courses is subject to the proviso that such offerings can be economically justified through sufficient student enrollment at each respective institution.

The Citadel's criminal justice program agrees that whenever any of the courses listed on Attachment are taught at Horry-Georgetown Technical College by suitably qualified faculty members, such courses shall be adjudged as academically equivalent to the corresponding component courses contained in the criminal justice degree.

This agreement shall become effective on the first day of Fall semester 2012. It shall be jointly reviewed annually by representatives of each institution, prior to the anniversary date of the agreement. Internally, the review shall be conducted by the Dean of the Evening Undergraduate Studies program to assess the overall range of courses (both in the major and for general education credit), the Chair of the Department of Political Science and Criminal Justice and the Criminal Justice 2 + 2 program director at The Citadel to ensure continuity within the major.

III-DUTIES AND RESPONSIBILITIES

Horry-Georgetown Technical College agrees that faculty teaching general education courses as well as those in the criminal justice major which are part of this transfer agreement will have completed at least eighteen graduate semester hours in the respective discipline and hold at least a master's degree.

Students from Horry-Georgetown Technical College who wish to continue their studies in criminal justice must make a formal application for admission to The Citadel through The Citadel Graduate College prior to their official acceptance into that program. This involves a completed application, including an official copy of their transcripts from Horry-Georgetown Technical College. Upon receipt and evaluation of these transcripts by The Citadel Graduate College, and provided that they are in good standing at Horry-Georgetown Technical College (defined as having a GPA of at least 2.0 out of a 4.0

scale, no grade less than "C," and who are not otherwise ineligible to attend The Citadel for disciplinary or behavioral reasons), The Citadel agrees that students are assured of acceptance into the degree completion program offered by The Citadel through its Evening Undergraduate Studies program.

The Citadel will accept the application and official transcripts and will grant transfer credit for those courses shown on Attachment I. If the student has credits for courses which are not part of this agreement, but for which the student wishes to be granted transfer credit, an application for transfer credit for those courses must be completed, along with a copy of official transcripts from the institutions at which the courses were originally taken.

Upon successful completion of the approved curriculum at The Citadel, Horry-Georgetown Technical College transfer students shall be awarded a Bachelor of Arts in Criminal Justice degree from The Citadel.

Horry-Georgetown Technical College shall designate appropriate members of their faculty as student advisors to counsel and assist students enrolled in the program for eventual transfer to The Citadel's Evening Undergraduate Studies program in criminal justice. The director of the evening criminal justice program at The Citadel shall assist and cooperate in the advisement process as required to ensure close liaison with Horry-Georgetown Technical College.

IV- TERMINATION

Either institution may terminate its participation in this agreement by submitting written notification to the other institution at least three months prior to termination, but subject to the proviso that such termination shall not become effective until the end of the current academic semester at the terminating member's institution. Students currently enrolled will be given up to four academic years to complete their program of study.

V-AMENDMENTS TO THIS AGREEMENT

The Citadel and Horry-Georgetown Technical College agree that this agreement constitutes the sole, full, and complete agreement between these institutions. No amendments, changes, additions, deletions, or modifications to or of this agreement shall be valid unless reduced to writing, signed by each institution's representative, and attached to this document.
