

Transfer Information Sheet for Broome Community College

AS in Business Administration

To

**Binghamton University's School
of Management**

BS in Management

- Important Notes**
1. Try to complete most of the SUNY GenEd requirements during the first 2 years.
 2. Grades of C or better are required to transfer courses.
 3. The foreign language requirement for all transfers is one college course at any level. Starting Fall 2009 it will be language study through the Intermediate 1 level. Waivers are possible if your native language is not English or if completed sufficient high school language study.
 4. * Junior level (numbered 300 or higher) School of Management courses do not transfer from community colleges without passing a validation exam. Exams are given at the start of each semester. Students who complete both Marketing courses with grades of B or better in each will be exempt from SOM's MKTG 311 and will not have to pass a validation exam in Marketing.
 5. ** Managerial Accounting only transfers for students entering the BS in Mgmt program. Our Acct majors do not take Managerial Acct and so this course would not transfer for them.
