Articulation Agreement between Maria College – AAS Computer Information Systems & Sage College of Albany – BS Computer Network and Systems Administration December 1, 2003

Objective

This Articulation Agreement is intended to facilitate the transfer of qualified students currently enrolled at Maria College into the Bachelor of Science in Computer Network and Systems Administration at Sage College of Albany (SCA). Counselors at Maria College can use the information in this agreement to advise current students, as soon as they express an interest in the SCA Computer Network and Systems Administration program, as to which Maria College courses should be taken prior to application for transfer.

Terms of the Agreement

This Articulation Agreement, once signed, will be effective immediately and must be reviewed and reapproved in the same manner at least once every two years hereafter, in order to remain in effect.

The procedure for review and reapproval shall be as follows:

- 1. the latest available catalogs of the two institutions are reviewed by the SCA Computer Science Coordinator and the revised draft is prepared by the SCA Computer Science Coordinator
- 2. a final draft is signed by the Department Chairs of both institutions and by the appropriate administrator of both institutions.

All of the most-recently published rules for accepting transfer students into programs at SCA apply. The Agreement supplements but does not supercede or replace what was written in the latest SCA Catalog.

SCA agrees to accept for transfer into the B.S. program in Computer Network and Systems Administration up to 60 credit hours earned by a student at Maria College who takes the courses listed below. Only courses with earned grades of C- or better will transfer, and students who attain a combined Grade Point Average (GPA) of a 2.5 in courses with the prefix of CSC courses, will automatically be admitted into the SCA Computer Network and Systems Administration program.

This Agreement covers courses taken at Maria College only. If a student from Maria has credits on their transcript from other institutions, the published SCA rules for accepting transfer credit will apply to those credits.

If a student from Maria College wishes to transfer without having completed all of the courses in this Agreement, they are assured that the identified equivalent courses with grades of C- or better will transfer but Junior year status and outright admission into the program will not be guaranteed. If admitted, junior status at SCA will be attained if 54 or more of the credits are transferred. All transfer students must meet with a Computer Science advisor at SCA to plan their courses and to determine how many semesters are required for degree completion.

Agreed-Upon Courses from Maria College 2002-03 Catalog

Maria College Equivalent Course	Cr.Hrs.	SCA Major Requiremnts	Cr. Hrs.
CSC 100, Introduction to Computers	3	CSI110, Computing Concepts	3
CSC 240, Intro to C++ Programming	3	CSI 125, Intro to CS I	3
		CSI 126, Intro to CS II	3
		CSI 210, Workstation Architecture	3
		CSI 236 Data Structures	3
		CSI 241, UNIX	3
CSC 225, Networking	3	CSI 276, Data Comm & Networking I	3
		CSI 285, Data Comm & Networking II	3
		CSI 312, Java	3
		CSI 320, Web Apps Development II (Server)	3
		CSI 349, Machine Structures	3
		CSI 401, Data Comm & Networking III	3
		CSI 421, Adv UNIX for Network Administrators	3
		CSI 438, Technology and Culture	3
		CSI 485, LAN Administration Internship	3
		ENG 235, Technical Writing	3
		MAT 209, Discrete Math	3
		LIFE Requirements (General Education)	
ENG 111, Composition I	3	HUM 112, Humanities Seminar II	3
ENG 112, Composition II	3	Humanities Elective	3
PHI 260, Business Ethics	3	Humanities Elective	3
SOC 101, Introduction to Sociology	3	Social Science elective	3
ECO 101, Microeconomics	3	Social Science elective	3
		Science Elective	3
		Science Elective	3
		Math course - Met by MAT209	0
		Technology competency Met in Program	0
		Interdisciplinary Seminar	3
		Experiential Based Learning - Met by CSI485	0
		Capstone course - Met by CSI401	0
		Additional Electives	
MAT 106, College Algebra	3	Liberal Arts and Science elective	3
MAT Foundations or Precalculus	3	Liberal Arts and Science elective	3
CSC 125, Visual Basic	3	Liberal Arts and Science elective	3
RES Religious Studies Elective	3	Liberal Arts and Science elective	3
BUS 201, Business Communications	3	Liberal Arts and Science elective	3
BUS 202 Accounting I	3	General elective	3
BUS 203 Accounting II	3	General elective	3
CSC 130,Computer Information Systems	3	General elective	3
CSC 201, Electronic Spreadsheets	3	General elective	3
CSC 230, MOUS Certification	3	General elective	3
CSC 210, Web Page Design	3	General elective	3
CSC 215, Introduction to Databases	3	General elective	3
		General elective	3
		General elective	3
		General elective	3
Total	60		120
