

**GUIDELINES OF THE AGREEMENT BETWEEN
DUTCHESS COMMUNITY COLLEGE
AND
SUNY EMPIRE STATE COLLEGE**

Students successfully completing degree requirements for an Associate degree specified in Section A of this agreement:

- A. will be granted admission to SUNY Empire State College with full junior standing,
- B. will be given the opportunity to complete all requirements for the bachelor's degree in a closely related area of concentration (as specified in Section A) with two additional years of successful full-time study,
- C. will have credits with a "C" grade or better transferred, consistent with SUNY Empire State College policy,
- D. will have "D" grades with the completed Associate degree accepted for credit (within a 64 credit maximum).

Applications from students in programs not specified in Section A will be evaluated on a course-by-course basis to achieve maximum transferability.

SECTION A

The following Associate Degree Programs at Dutchess Community College will have guaranteed transferability and junior standing toward a SUNY Empire State College bachelor's degree program in an area of concentration identified below as parallel to the associate degree. All advisor-approval electives credited toward the associate degree within any of the following Dutchess Community College programs will be accepted as stipulated above. All students earning a bachelor's degree from the State University of New York must fulfill the 30-credit, SUNY general education policy. Empire State College and Dutchess Community College will work together to insure that transfer students will be able to meet this requirement through courses taken at either institution.
