The College at Oneonta has made a strong commitment to help transfer students maximize their opportunities.

AGREEMENT

1. Ulster Community College students who have graduated or who will graduate with an AA in Liberal Arts & Sciences: Humanities and Social Science, who apply in a timely manner and meet the current admission criteria, will be admitted to the BA degree program in Psychology upon application as matriculated students with junior status at the College at Oneonta.

Students are advised to consult both Ulster Community College's and the College at Oneonta's catalogs to check any modification or changes to program requirements.
5. This agreement will be monitored on a yearly basis by contact among the articulation coordinators and department chairpersons. Each institution assumes responsibility for making this a viable and workable agreement for interested students.
