****Transfer credit will not be granted until official transcripts have been received****

Students are responsible for verifying that ALL graduation requirements are met before graduation

Updated spring 2008

The Articulation Agreement in management entered into by both institutions with the objectives of providing opportunities to facilitate the learning needs and career goals of Bristol Community College graduates in Business Administration Transfer.

Terms of qualification include graduation from the associate degree program in Business Administration Transfer at Bristol Community College and a cumulative grade-point average of 2.0 or higher in that program.

After acceptance for matriculation at Regis College the student will be awarded the maximum of 64 credits. Any other completed course work will be evaluated on an individual applicant basis per established transfer policies of Regis College.

As Regis students they will be subject to the standards and policies applicable to all baccalaureate students at Regis College.

The two institutions agree to maintain current listings of course equivalencies relevant to this agreement and advise each other regarding substantive changes in relevant courses or programs.

Bristol Community College and Regis College, Center for Graduate and Continuing Studies will incorporate a summary of this agreement into the catalog and other official publications.

This agreement will be effective for students entering Regis College in the fall of 2008. At that time each institution will advise the other of its intention to continue or discontinue the agreement. In addition, each will suggest changes needed to keep the agreement up to date. This agreement will be renewed every five years
