NOTES:

1) Western New England College will produce a degree audit for all students accepted in the Joint Admission Program. The audit will be based upon a current copy of an official Holyoke Community College transcript, and/or a list of in progress course work. An updated copy will be produced each time an updated official transcript is presented. The degree audit should be used as the official document to determine what degree requirements remain to be satisfied.

2) Western New England College may not be able to apply towards the curriculum credit that is not specified as eligible for a specific major offered through the Joint Admissions Program. Students are subject to transfer credit restrictions as noted in the Western New England College Catalogue.

* Students may have satisfied some of these requirements through elective courses taken at Holyoke Community College. To ensure that the maximum number of credit is applied towards a bachelor's degree at Western New England College, students are encouraged to select recommended courses provided on page 1 of this transfer guide. For additional information reference the College Catalogue at www.wnec.edu/catalogue, or contact the Admissions Office at 413-782-1321.

** Transfer students with 1-2 years of full-time study at Holyoke Community College will be considered for an exemption of one LBC experience. For additional information about LBC, please reference Western New England College's *Academic Programs Book*.
