This is not an articulation agreement. This chart should serve as a reference for Greenfield Community College students who eventually plan to transfer to Western New England College. We hope that this will aid you in working towards your academic goals and maximize the transfer credit applied towards a degree at Western New England College. Please reference our College Catalogue for additional information. A maximum of 70 semester hours may be transferred from two-year institutions.

* The following Greenfield Community College courses will count towards satisfying Western New England College's general College requirements: Any literature course (one); any foreign language course (one); any 100 level math course (in addition to MAT 114); MAT 114 Introduction to Statistics; any history course (one); CHE 111 General Chemistry I; BIO 126 Biology I; any fine arts, music ***or*** theatre course (one); any 100 level (3 credit) information systems course (one); PHI 103 Introduction to Philosophy ***or*** PHI 104 Introduction to Ethics. Students who have not taken at least two college prep math courses in high school and earned at least a "C", should enroll in a 100 level math course or the necessary remedial courses and earn at least a "C".

**Any Greenfield Community College course without an equivalent Western New England College course will transfer as a *General Elective* (up to 6-9 credits). The following Greenfield Community College course will satisfy a specific criminal justice requirement at Western New England College: CRJ 203 Criminal Investigation.

NOTES:

1) Western New England College will produce a degree audit for all students accepted in the Joint Admission Program. The audit will be based upon a current copy of an official Greenfield Community College transcript, and/or a list of in progress course work. An updated copy will be produced each time an updated official transcript is presented. The degree audit should be used as the official document to determine what degree requirements remain to be satisfied.

2) Western New England College may not be able to apply towards the curriculum credit that is not specified as eligible for a specific major offered through the Joint Admissions Program. Students are subject to transfer credit restrictions as noted in the Western New England College Catalogue.

* Students may have satisfied some of these requirements through elective courses taken at Greenfield Community College. To ensure that the maximum number of credits is applied towards a bachelor's degree at Western New England College, students are encouraged to select recommended courses provided on page 1 of this transfer guide. For additional information reference the College Catalogue at www.wnec.edu/catalogue, or contact the Admissions Office at 413-782-1321.

** Transfer students with 1-2 years of full-time study at Greenfield Community College will be considered for an exemption of one LBC experience. For additional information about LBC, please reference Western New England College's *Academic Programs Book*.
