

## **ARTICULATION AGREEMENT**

Between

### ***BURLINGTON COUNTY COLLEGE***

And

**TEMPLE UNIVERSITY** of the Commonwealth System of Higher Education

For the

### ***FOX SCHOOL OF BUSINESS AND MANAGEMENT***

Burlington County College (BCC) and Temple University (Temple) enter into this agreement in order to facilitate the admission of students, who have earned the Associate in Science Degree in Business Administration or the Associate in Science Degree in Accounting at BCC, into the Bachelors of Business Administration program of the Fox School of Business and Management at Temple University.

This agreement guarantees admission to Temple, with third year status in accordance with the core-to-core agreement and with equal standing with other Temple students, to Burlington County College graduates who have earned the Associate in Science Degree in Business Administration or the Associate in Science Degree in Accounting under the conditions specified below. A full-time student thus admitted will be able to complete the requirements for the Bachelors of Business Administration degree at Temple within four regular semesters as long as they successfully pass the remaining requirements and sequence their Temple course work appropriately. It is strongly recommended that BCC students meet with a Temple, Fox School of Business and Management adviser at least one semester prior to transferring to discuss the proper sequencing of coursework. Specialized programs, including International Business Administration, Entrepreneurship, and Management Information Systems may require more than four regular semesters to complete.

Students who complete the BCC curriculum specified in the “required course equivalencies” section of this agreement are guaranteed the transfer credit for courses indicated in that section. Courses not listed there, but brought into Temple in transfer by a student covered by this agreement, will be granted credit according to standard Temple-BCC equivalencies for the Fox School of Business and Management.

Once at Temple, students who transfer under the terms of this agreement are responsible for meeting requirements in their major field of study, and any other curricular requirements applying to all Temple students, that were in effect at Temple at the time of their admittance to Temple University. These students will abide by the policies and procedures, and any revisions there of that apply to all Temple students.

Students who apply to Temple without an Associate in Science Degree in Business Administration or the Associate in Science Degree in Accounting will not be covered by this agreement. Students who apply to Temple with an Associate Degree in Business Administration will qualify for core to core transfer.

### **TERMS AND CONDITIONS OF ADMISSION TO TEMPLE**

1. completion of the Associate in Science Degree in Business Administration or the Associate in Science Degree in Accounting at BCC;
2. meeting the same dates for application, payment of fees and other registration requirements that apply to other entering students at Temple University;
3. enrollment at Temple University within two years after BCC graduation under the terms of this agreement; and

4. achieving a minimum grade point average of 2.3 at BCC; with the exception of students planning to transfer into the International Business Administration or Entrepreneurship majors who are required to have a minimum grade point average of 3.00 at BCC in accordance with the requirements for native Temple students.

Because the BCC Associate degrees covered by this program articulation agreement are also approved for Core-to-Core Transfer to Temple, students under this program agreement satisfy Temple Core Curriculum requirements according to the terms of the BCC-Temple Core-to-Core Transfer agreement. Their Core requirements, except two writing-intensive courses to be taken at Temple, are met by receipt of the BCC AS degree. Developmental courses taken at BCC do not transfer to Temple. In addition, courses for which a grade below C was received, do not transfer to Temple, but do not affect a student's Core-to-Core status provided the student receives a BCC AS degree.

### **JOINT RESPONSIBILITIES FOR MAINTENANCE OF THIS AGREEMENT**

The transfer coordinator at BCC will maintain and distribute information about the current form of this agreement, and any changes relevant to it, to appropriate BCC students, counselors, advisers, administration, and faculty.

Temple University's Fox School of Business and Management will keep appropriate Temple offices and staff (including the Provost's office and Admission's office) informed of this agreement, and any modifications thereto, and will be responsible for distributing information concerning any changes.

Both institutions will encourage BCC students to meet with representatives of Temple University to discuss issues related to admissions and financial aid well in advance of their expected date of entry.

Faculty from each institution teaching in the curriculum for which this agreement has been developed will be encouraged to meet at least once annually to discuss issues of curriculum and student development.

Temple University and BCC will collaborate on research activities that will help assess the effectiveness of this transfer program in meeting the needs of students transferring from BCC to Temple University.

### **REVISION, RENEWAL AND TERMINATION OF THIS AGREEMENT**

The Dean's Office of Temple's Fox School of Business and Management, and the transfer coordinator at BCC, are responsible for identifying, and communicating to each other, changes in their respective courses, requirements, or policies that affect this agreement.

This agreement will be in effect as of the Fall 2003 semester, will be reviewed annually by the Dean's Office of Temple's Fox School of Business and Management and the transfer coordinator at BCC, and will automatically be renewed until superseded by a new agreement or formally terminated. Revisions in the course equivalency lists may be made with the verbal consent of the representatives of the two schools; major revisions to this agreement require their signatures. Either institution may terminate this agreement at any time by written notice at least one year in advance of the effective date of termination. Should this agreement be terminated, it is understood that the termination will not apply to students already accepted to Temple University under the terms of this agreement, but not yet enrolled in classes at Temple.

BCC and Temple University understand that they shall act in an independent capacity in the performance of this agreement, and shall not be considered as employees, agents, affiliates, or subsidiaries of each other.

Neither Temple or BCC have the right to bind nor obligate one another in any manner inconsistent with or unrelated to this agreement. This agreement is governed by the laws of the Commonwealth of Pennsylvania.
