

Memorandum of Understanding
Between
Blue Ridge Community College
and
Eastern Kentucky University
College of Justice & Safety

It is mutually agreed by Eastern Kentucky University, Richmond, Kentucky, and Blue Ridge Community College, of Weyers Cave, Virginia, that Eastern Kentucky University will accept on a 2 + 2 basis, transfer credit from Blue Ridge Community College for degree holders as indicated on the attached equivalency forms.

Eastern Kentucky University will transfer all credit hours with "C" grade or better into its Justice & Safety programs and will allocate specific credit as this meets core and/or specialization requirements, University requirements, College requirements and/or electives.

The allocation of advanced credit to the degree program will be the responsibility of the applicable Eastern Kentucky University program advisor subject to the approval of the Dean of the College of Justice & Safety.

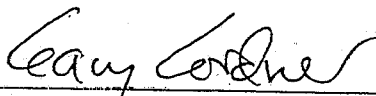

Blue Ridge Community College will retain full responsibility for the education program of its students. Furthermore, the College should inform the University of changes in the curriculum or changes in the availability of learning opportunities as far in advance of the time change as feasible. Failure to do so may prevent articulation of the transfer credit.

The faculty and staff of both institutions are encouraged to visit each institution to plan, survey, observe, and/or participate in conferences with students and/or faculty.

An annual review of the program and curriculum referred to in this articulation agreement may be made by representatives from either institution.

This Memorandum of Understanding may be terminated by either party upon written notice to the other party six (6) calendar months prior to the desired effective date of termination.

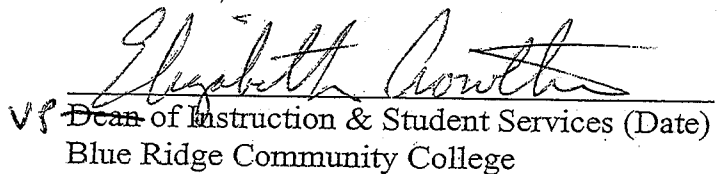

This Memorandum of Understanding will be in effect unless terminated as written above.
