

Build on Your Associate Degree

As a graduate of Herkimer County Community College (HCCC), you will find it easier to continue your education and earn a bachelor's degree as a result of an articulation agreement between HCCC and Empire State College, an arts and science college of the State University of New York.

Under the terms of the agreement, once you have completed specific associate degree programs at Herkimer County Community College, you should be able to complete all degree requirements with two additional years of full-time study at Empire State College.

All students earning a bachelor's degree from the State University of New York must fulfill the 30-credit, SUNY general education policy. Empire State College and Herkimer County Community College work together to insure that transfer students will be able to meet this requirement through courses taken at either institution.

The chart in this brochure refers you to the specific areas of study at Empire State College to which your associate degree will transfer. Within the particular area of study, you will prepare, in consultation with an individually assigned faculty mentor, a concentration – a focused, in-depth study of a discipline or several disciplines, a problem, a theme, or a professional or vocational area.

Consider the Advantages

Under the terms of the agreements between Herkimer County Community College and Empire State College, you and other students successfully completing degree requirements at HCCC for any associate degree specified on the chart found inside this brochure will:

- Be granted admission to Empire State College
- Be eligible to enroll for a bachelor's degree in a closely related area of concentration
- Transfer all credits earned as part of a completed degree

Applications from students in programs not listed on the chart will be evaluated on a course-by-course basis to achieve maximum transferability.

Become an Independent Learner

The guided, independent study mode of learning at Empire State College requires a high degree of commitment and self-motivation. As a graduate of Herkimer County Community College continuing your education at Empire State College, you will have the opportunity to design a degree program that reflects your unique personal and professional aspirations by working one-to-one with an Empire State College faculty mentor. To learn more about this challenging, exciting way of earning a bachelor's degree – so that you can decide if independent study will meet your educational needs – attend an information session at the Empire State College location nearest you.

Expand your Opportunities

Empire State College, a national leader in nontraditional education, offers Herkimer County Community College graduates:

- Transferability – apply your associate degree credits to your four-year degree.
- Guided independent study designed expressly for you – develop your own degree program.
- One-to-one instruction – work individually with an Empire State College mentor.
