

CORNING COMMUNITY COLLEGE
2005

General Policies

- A. Elmira College accepts a maximum of sixty-eight semester hours of credit from two- year colleges.
- B. Associate in Arts and Associate in Sciences Degrees:
- 1.) Students who have received Associate in Arts and Associate in Sciences degrees from Corning Community College will be admitted to Elmira College as Juniors, if they have at least 54 college transfer credits.
 - 2.) Recipients of these college transfer degrees will receive credit for grades of “D”, provided that; (1) the student has earned a cumulative grade point average of 2.000 or higher, (2) the courses in which the grades were earned are applicable to the degree, (3) Corning Community College recognizes the course as a college transfer course, and (4) Elmira College recognizes the course as a college transfer course (see the Elmira College Bulletin)

Any course that is included in the credits required for an Associate in Arts or Associate in Science Degree is recognized by Corning Community College as a “college transfer course” and will be so recognized by Elmira College.

- 3.) a. Students who have completed the Associate in Arts or the Associate in Sciences degree are exempt from FRS 1010 and FRS 1020, Freshman Core.
b. For courses that fulfill the Elmira College General Degree Requirements, see the course listing in Part C below
 - 4.) Recipients of these degrees will have completed the Elmira College Communication Skills Program requirement. They will also have fulfilled the Physical Education requirement. Careful selection of electives should permit the completion of most of the other General Degree Requirements. Courses are listed below which meet specific parts of the General Degree Requirements.
- C. Associate in Applied Science Degrees: Although many courses may transfer, as listed in Section II, these degrees are not designed for transfer. Elmira College recognizes this distinction between degrees, programs and courses leading directly to careers and those that are applicable to baccalaureate degrees. With a little careful planning, a student may select courses that meet many of the general education and major requirements of Elmira College, as well as Corning Community College’s requirements for the occupational degree. The specific course equivalents and major requirements are provided in Parts II and III, below, but the following guidelines may be useful to Corning Community College students who are considering transferring to Elmira College:

GENERAL DEGREE REQUIREMENTS

- A. Communications Skills Program

Corning students with A. A., A. S. or A.A.S. degrees will have completed this requirement. Other Corning students must complete ENGL 1010 and ENGL 1020 (College Composition I and II). These courses must have been completed later than the summer after high school graduation. (Note: first-time freshman students, even those transferring in credits completed before or in the summer immediately after high school graduation, are expected to pursue a common Elmira College curriculum including English 1000, Communication 1001, FRS 1010 and FRS 1020, Freshman Core, and Encore 1010 and 1020.)

B. "W" Course

Every student must complete, with a passing grade, a course at **Elmira College** from an approved list of "W" courses. This will typically be a course, taken at Elmira College, in the student's major with a special emphasis on written communication.

C. Mathematical Competency

Completion (with a passing grade) of any of the following courses will satisfy this requirement: MATH 1210, MATH 1220, MATH 1411, MATH 1412, MATH 1413, MATH 1510, MATH 1520, MATH 1610, or MATH 1620.

(Students may also satisfy this requirement through a test of elementary algebra skills or based on their ACT or SAT scores, if available)

D. Core Requirement

Students who transfer less than 54 credits must complete FRS 1010 and FRS 1020 at Elmira College.

E. Distribution Requirements

1. Culture and Civilization: 15 credits (Including at least 3, but no more than 6, credits from each of sub-groups a, b, and c below). Students may not have more than 9 credits in any one field code.

a. United States

Courses which meet this requirement are: ECON1000, ENGL 2010, ENGL 2020, ENGL 2220, ENGL 2770, HIST 1110, HIST 1120, HIST 1140, HIST 2090, PHIL 2050, PHL 2500, SOCI 2210, and SIGN 2060

b. European

Courses that meet this requirement are: ARTS 1320, ENGL 2310, ENGL 2320, ENGL 2330, ENGL 2711, ENGL 2712, ENGL 2713, FREN 1010 & FREN 1020, FREN 2010, FREN 2070, FREN 2080, FREN 2180, GREK 1010& GREK 1020, GERM 1010 & GERM 1020, GERM 2010, GERM 2070, GERM 2080, GERM 2180, HIST 1010, HIST 1020, HIST 2050, HIST 2060, HIST 2070, HUMA 2200, LATN 1010&LATN 1020, MUSC 1230, SPAN 1010&SPAN 1020, SPAN 2010, SPAN 2070, SPAN 2080, SPAN 2180

(Note: Any two sequential courses in the same language listed here will count as six credit hours in the European Culture and Civilization Category. One such course by itself, although accepted for transfer credit, will not count for any portion of the European Culture and Civilization requirement)

c. Non-Western

Courses that meet this requirement are: ARAB 1010, ARAB 1020, HIST 2110, HIST 2120, HIST 2170, RUSS 1010 & RUSS 1020, (See note above concerning language courses).

d. General

Courses which meet this requirement are: ARTS 1310, ENGL 2030, ENGL 2040, ENGL 2090, ENGL 2160, ENGL 2170, ENGL 2180, ENGL 2190, ENGL 2410, ENGL 2420, HIST 2410, HUMA 1010, HUMA 1020, HUMA 2010, HUMA 2070, MCOM 2700, MCOM 2710, MUSC 1240, PHIL 2010, PHIL 2310, PHIL 2320, SIGN 1010& SIGN 1020, THEA 1010 (See note above concerning language courses)

2. Contemporary Social Institutions...3 credits

Courses which meet this requirement are: BUSN 1040, CRJ 1010, ECON 2001, ECON 2002, EDUC 1010, GOVT 1010, GOVT 1020, GOVT 1501, GOVT 2040, HUSR 1010, HUSR 1040, PARA 1010, PSYC 2201, SOCI 2030, SPCH 2000

3. The Scientific Method...7 credits (one course from the Physical and Life Sciences and one from the Social and Behavioral Sciences. Both courses must be from the approved list and one must include a laboratory experience)

a. Behavioral and Social Sciences

Courses which meet this requirement are: ANTH 2120, GEOG 1010, HUMA 2030, PHIL 1050, PSYC 1101, PSYC 2221, SOCI 1010, and SOCI 2000

b. Physical and Life Sciences

Courses which meet this requirement are: ASTR 1010, ASTR 1020, BIOL 1010, BIOL 1020, BIOL 1030, BIOL 1050, BIOL 1510, BIOL 1520, CHEM 1010, CHEM 1020, CHEM 1030, CHEM 1510, CHEM 1520, EARTH 1010, GEOL 1010, GEOL 1510, GEOL 1520, GEOL 1530, PHYS 1010, PHYS 1730, PHYS 1740, PHYS 1820, PHYS 2830, PHYS 2840, SCIN 1010, SCIN 1020, SCIN 1030, SCIN 1040, SCIN 1110 and SCIN 1120

4. The Creative Process...3 credits

Courses which meet this requirement are: ARTS 1030, ARTS 1210, ARTS 1400, ARTS 1410, ARTS 1420, ARTS 1440, ARTS 2110, ARTS 2620, ENGL 2480, ENGL 2490, MCOM 1220, MCOM 2160, MUSC 1311, MUSC 1321, MUSC 1411, MUSC 1421, MUSC 1920-1990, MUSC 2421, MUSC 2321, MUSC 2821, SPCH 1080, SPCH 2130, THEA 1020, THEA 1101-1111, THEA 2102-2112, WELL1202

(Note: In order for THEA 1101-1111 and THEA 2102-2112 to fulfill the Creative Process requirement, the student must be involved in a creative process, such as acting, directing or designing a set. Selling tickets, working on publicity, or working on the set will not fulfill the requirement.)

F. Physical Education Recipients of the Corning Community College Associate in Arts or Associate in Science degree have fulfilled this requirement. Other transfer students should refer to the list of specific Corning Community College courses, which can be used to fulfill this requirement. They are found in the Physical Education and Recreation sections in the equivalent course lists in this agreement. Refer to the Elmira College Bulletin for alternative ways to fulfill this requirement.

G. Encore or The Performing Arts Appreciation Requirement

Recipients of the Corning Community College Associate in Arts or Associate in Science degree are exempt from the Elmira College Encore requirement. Other transfer students will also be exempt if they enter Elmira College as juniors. Those students who enter Elmira College with less than 54 credits must complete the Encore requirement at the level they enter.

H. Field Experience/ Practicum

Transfer students must complete the Field Experience requirement at Elmira College. This includes Community Service and either Career Related Field Experience or Pre-graduate School Experience. Waivers may be granted, based on prior experience, by the Elmira College Office of Career Services

I. Equivalent Courses

This part of the articulation agreement lists, by academic discipline, those courses offered by Corning Community College which may be applied toward the baccalaureate degrees (A.B. and S.B.) at Elmira College.

Corning Community College courses which do not have specific equivalents at Elmira College, but which are accepted toward an Elmira College degree are listed below as follows:

“Major Electives” (courses counting toward the total number of credits in a major but not specifically required for the major)

“General Electives” (courses counting toward the total of 120 credits needed for graduation but not counting toward any major or general degree requirement)

Corning Community College courses which are not listed below **may** still be included in the 60 to 68 credits accepted for transfer, even if they do not meet any of the Major, Minor, or General Degree requirements at Elmira College; however, all courses accepted in transfer must be of a generally similar nature, content and level to Elmira College courses (and must **not** be remedial or narrowly vocational)

Accounting

The Elmira College equivalents of the following four credit courses carry only three credits each; therefore, only three credits of any one course may be applied toward the major requirements in Accounting or Business Administration. (VERY IMPORTANT: See also the special state regulations governing the Accounting major, which are set forth in Part III, below.)

ACCT 1030 Acct. Principles I (Financial)	ACC 2010 Principles of Acct. I
ACCT 1040 Acct. Principles II (Managerial)	ACC 2021 Principles of Acct. II
ACCT 2030 Intermediate Accounting I	ACC 3540 Intermediate Acct. I
ACCT 2040 Intermediate Accounting II	ACC 3541 Intermediate Acct. II
ACCT 2050 Cost Accounting	ACC 3610 Cost Accounting

General Electives: ACCT 2080, ACCT 2080, ACCT 2090, ACCT 2100 and ACCT 2120 (These courses **cannot** be used to fulfill requirements or as electives in the Accounting major. They can be used as general electives toward the 120 credits needed for graduation)

* MATH 1013, MATH 1210, and MATH 1220. Transfer credit is awarded for these courses although there are no “equivalent” courses at Elmira College. Successful completion of MATH 1210 or MATH 1220 fulfills the Mathematics Competency requirement in the General Degree Requirements at Elmira College. MATH 1000 does not fulfill this requirement but is accepted for credit.

Because many Elmira College majors require at least one Statistics course, a sequence at Corning Community College such as MATH 1210-MATH 1220 plus either MATH 1310 at Corning Community College or MAT 2090 at Elmira College is highly recommended.

SPECIAL MAJOR REQUIREMENTS

Equivalent General Education and Major Requirements for most Elmira College Degrees may be determined by consulting the list of courses in Part II of this agreement. However, certain majors have special requirements, which are set forth here. In this section, the terms and conditions involved in completing these majors are presented in the context of the Corning Community College Curricula, so that Corning students, who may consider transfer to Elmira College, may plan their programs more effectively.

Accounting

Elmira College's S.B. Degree in Accounting is registered by the New York State Education Department as qualifying for the CPA Licensure. Elmira College must meet the standards established by the State Board of Accountancy. For that reason, the S.B. Degree in Accounting is a highly structured major with very specific requirements. Students must complete 27 credits in Accounting, 33 credits in Business and related courses, and 60 college transfer credits in the "Liberal Arts and Sciences". To meet these standards, Elmira College limits to 12 the number of credits in Accounting, which may be transferred:

ACCT 1030 (3 credits only) Acct. Prin. I	ACC 2010 Prin. of Acct. I
ACCT 1040 (3 credits only) Acct. Prin. II	ACC 2020 Prin. of Acct. II
ACCT 2030 (3 credits only) Inter. Acct. I either	ACC 3540 Intermediate Acct. I
ACCT 2040 (3 credits only) Inter. Acct. II or	ACC 3541 Intermediate Acct. II
ACCT 2050 (3 credits only) Cost Accounting	ACC 3610 Cost Accounting

Other transferable elective courses include:

ECON 2001	Principles of Economics (Macro)
ECON 2002	Principles of Economics (Micro)
BUSN 1231-1232	Business Law I and II
MGMT 2041	Principles of Management
MATH 1310	Elementary Statistics
MKTG 2050	Principles of Marketing

- Students entering Corning Community College who plan to sit for the C.P.A. examination are advised to enroll in the Associate in Science transfer program in Business Administration (AS), and to complete the advanced requirements in accounting after they transfer. Corning graduates who have received the Associate in Applied Science Degree in Accounting (AAS) must consult a member of the accounting faculty at Elmira College to determine their status at the time of registration.

Business Administration

To satisfy all but three of the core requirements in this major, students should complete the following courses:

ACCT 1030-1040	Accounting Principles I and II
ECON 2001	Principles of Economics (Macro)
ECON 2002	Principles of Economics (Micro)
BUSN 1231-1232	Business Law I and II (provided both courses are completed at Corning Community College)
MATH 1310	Elementary Statistics
MKTG 2050	Principles of Marketing
MGMT 2041	Principles of Management

Biology

BIOL 1510-1520 General Biology I and II are the entry-level courses for this major

Chemistry

CHEM 1510-1520 General Chemistry I and II are the entry level courses for this major

Education

Although a minimum 2.0 Grade Point Average (GPA) is required for Admission to Elmira College, acceptance into the Teacher Education Program and Student Teaching has a higher GPA requirement. Students must earn and maintain a 2.7 GPA in both their academic major and/or concentration and in their Teacher Education program courses. An application for acceptance into the Teacher Education Program must be completed by April 15th in the student's second (Sophomore) year. The Student Teaching I application is due by October 15th in the student's third (Junior) year. Transfer students who are admitted to Elmira College with Junior status must complete both applications by October 15th of their third (Junior) year.

The Liberal Arts and Sciences: Education/Childhood Education Program at Corning Community College is a jointly registered program of Corning Community College and Elmira. College.

Please contact the Teacher Education Department at Elmira College for information about these and New York State Teacher Certification requirements

English

The following courses are recommended for prospective English majors:

ENGL 2010 or 2020	American Literature I or II
ENGL 2310-2320	English Literature I-II
ENGL 2480 or 2490	Creative Writing: Fiction and Drama or Poetry

Foreign Languages

A major in foreign languages requires completion of core requirements plus an area of specialization chosen from French or Spanish. Each specialization in a modern foreign language requires 24 credits excluding the first-year course, as specified in the Elmira College Bulletin. At least 12 of these credits must be at the 3000-level or higher.

Some core requirements and their Corning Community College equivalents are:

A foreign language (Classical or Modern) different from the specialization 6 credits

Elementary French courses if the specialization is not French
Elementary Spanish courses if the specialization is not Spanish
Elementary German courses

GREK 1010-1020 Elementary Classical Greek I and II
LATN 1010-1020 Elementary Latin I and II
RUSS 1010-1020 Elementary Russian Conversation and Structure I and II

History and Civilization courses appropriate to the field of specialization 6 credits

HIST 2410 Latin American History (if the specialization is Spanish)

Mythology, Art History, and Literature in Translation 6 credits

ARTS 1310 History and Appreciation of Art I
GERM 2130-2140 Readings in German Literature I and II
GERM 2310 A Brief Introduction to Literature

Nursing

Eighteen credits in nursing are accepted to meet Elmira College Nurse Education Program requirements. Other nursing credits earned at CCC are accepted as elective credit.

Philosophy and Religion

All philosophy courses offered at Corning Community College are acceptable electives in philosophy and religion.

Social Science/Criminal Justice

Although several specific courses are equivalent, the Elmira College S.B. major in social science/criminal justice is significantly different from the Corning Community College A.A.S. Criminal Justice degree in its structure and purposes. Students who have received this degree should consult a member of the Elmira College faculty to determine their status prior to registration.

Speech and Hearing

A maximum of nine credits may be transferred as related electives based on the equivalencies listed in part II; HUSR 1560 Introduction to Special Education, (for which Elmira has no exact equivalent) may be included as a related elective at the 2000-level.

GUARANTEED ACADEMIC SCHOLARSHIP

Elmira College Scholarships and Grants

For Corning Community College Graduates
