

TEMPLE UNIVERSITY & BURLINGTON COUNTY COLLEGE GUARANTEED ADMISSION TRANSFER AGREEMENT

Effective May 30, 2007

Temple University welcomes transfer applicants from both two-year and four-year colleges around the country and the world. Transfer students comprise more than half of each entering class and are a vital part of our vibrant campus communities. We know that as a prospective transfer student, you have special needs and concerns. Temple University's GUARANTEED ADMISSION and CORE-TO-CORE transfer agreements were designed to facilitate students' ease of transfer into any of Temple's 100+ undergraduate majors and, ultimately, to foster academic success.

ADVANTAGES OF THE TEMPLE-BCC GUARANTEED ADMISSION PROGRAM

If you are newly admitted to an associate's degree program or have earned 30 or fewer college-level credits, you are eligible to complete an INTENT TO ENROLL FORM available in the transfer office. **Students who have previously been matriculated to Temple University are not eligible for the Guaranteed Admission Program.**

Registration in this program entitles you to be admitted into a bachelor's degree program at Temple provided that you: earn your associate's degree with a minimum 2.5 final grade point average; enroll at Temple within one year of graduation from community college; and do not attend another institution between graduation from community college and enrollment at Temple. Your enrollment is non-binding and can be canceled if you send written notification to both Temple University and BCC.

This agreement applies to all Temple majors except for the following competitive majors (art, architecture, music, dance, pharmacy, nursing, and health information management), which have additional admission requirements. See www.temple.edu for full listing of majors.

The program offers these distinct advantages:

- * ***scholarship opportunities*** for great students!
 - Full-time: \$1,000 academic scholarship to students with final 3.30-3.59 GPA;
\$2,000 academic scholarship to students with final 3.60-4.0 GPA;
award may be renewed up to three years, in addition to any federal, state or Temple need-based aid for which they qualify.
 - Part-time*: \$ 500 academic scholarship to transfer students with final 3.30-3.64 GPA and
\$1,000 academic scholarship to students with final 3.65-4.0 GPA; both awards may be renewed for up to three years.
 - * registered with 6-11 Temple credits per semester.
- * ***\$50 admission fee waiver*** to Temple University, less paperwork.
- * ***"ESL" students who earn an associate's degree*** and successfully complete English Composition will not need to take the TOEFL exam.

You must complete a "DUAL ADMISSIONS INTENT" form which is available in the BCC Transfer Office. **For additional information**, ask any BCC counselor or contact Valerie Friday at Temple Admissions vfriday@temple.edu.

This is an opportunity for new or continuing students with 0-30 college-level credits.

ABOUT TEMPLE’S CORE-TO-CORE TRANSFER AGREEMENT

You can take advantage of Temple’s “transfer-friendly” Core agreement that eliminates obstacles for community college graduates who want to pursue a bachelor’s degree at Temple.

The Core-to-Core Transfer agreement allows students entering Temple from BCC with any **Associate of Arts or Associate of Science degree received in a program entered in the fall of 1995 or after** to meet all university Core requirements except for two “Writing-intensive” courses to be taken at Temple.

This agreement does not change the requirements of Temple’s schools and colleges, which may include courses and requirements that are also in the Core. Also, this agreement does not change the applicability of transferred courses or programs to Temple’s major requirements.

Potential transfer students from community colleges should consult their transfer counselors about these requirements. Other transfer students should consult Temple publications, or discuss the matter with an admission counselor or academic adviser.

More information about these policies, and about transferring to Temple in general, is available from Temple websites, community college transfer counselors, and the Temple University Office of Undergraduate Admissions.
