E. Articulation Agreement Follow-Up Procedures

1. Procedures for reviewing, up-dating, modifying or terminating agreement:

Bronx Community College Digital Design and Computer Graphics Curriculum Co-coordinator, Lisa Amowitz, and Lehman Art Department Head, Charles Seplowin, will review implementation of the agreement once a year to ensure that students are adequately informed of the program and to identify issues requiring attention.

2. Procedures for evaluating agreement, e.g., tracking the number of students who transfer under the articulation agreement and their success:

After transfer into the Lehman Studio Art major, the performance of Bronx Community College students will be tracked using the CUNY Institutional Research Data Base. Lehman will inform BCC about the academic progress of transfer students. Additionally, these students will be surveyed after graduation from Lehman to determine educational and occupational experience and success, and Lehman will share this information with BCC.

The Lehman College Studio Art Major provides advisement to all students entering the major. Students attending Lehman College under this agreement will be tracked by Charles Seplowin, who will maintain a separate file for participating students, including semester transcripts and on going notes related to advisement. Additionally, he will record their work and/or graduate school status for two years following graduation and analyze the progress of the group.

3. Sending and receiving college procedures for publicizing agreement, e.g., college catalogs, transfer advisers, Websites, etc. :

Notice of articulation will be placed in the respective catalogues, recruiting brochures, websites, and on the CUNY TIPPS website.

Respective transfer and academic advisers will be informed and provided with copies of this agreement.

The Lehman Department of Art will coordinate efforts with Lehman's Admissions Office to make certain that materials are sent with recruitment officers for BCC's biannual Transfer Day event.
