Procedures for reviewing, up-dated, modifying or terminating agreement:

- When any of the programs undergo any changes, this articulation agreement will be reviewed and revised as necessary by one or two members of faculty of each institution's department, selected by their respective Chairpersons, to represent them.
- At the end of every semester the various representatives of each institution as indicted above will review the performances of the transfer students to determine if adjustments to, or termination of the articulation agreement and their success

Procedures for evaluating agreement, e.g., tracking the number of students who transfer under the articulation agreement and their success.

- At the end of each semester the receiving department shall generate a log indicating:
  1. The names and number of students who transfer under the agreement.
  2. The total number of credits completed to date, and the GPA, the grade point average of the transfer students in the receiving program, each semester of attendance, to follow their progress.
  3. The cumulative grade point average of the transfer students.

This log will be made available to the Departmental Chairperson and Dean of both institutions' department for their assessments, and to the transfer advisors of the students.

Sending and receiving college departments' procedures for publicizing the agreement:

- This articulation agreement will be publicized on the New York City College of Technology Website and Borough of Manhattan Community College Website.
- This articulation agreement will be publicized in the catalogs of New York City College of Technology and Borough of Manhattan Community College.
- This articulation agreement will be publicized by the transfer student advisors.
