

Guide for Transfer Students

**West Liberty State College
Community College of Allegheny County**

April 28, 2003

It is with great pleasure that we endorse the Guide for Transfer Students that has been developed through the cooperative efforts of the Community College of Allegheny County and West Liberty State College. We know the Transfer Guide will be a valuable tool in assisting the students, faculty and academic advisors at both institutions. This document is representative of our continuing efforts to develop collaborative programs between our Colleges that will benefit the students of the Upper Ohio Valley.

We commend the staffs of both Colleges and we hope this will be the first in a series of steps that will enable us to best utilize our resources, personnel and facilities. We encourage the students and staffs of both Colleges to use the Transfer Guide and to make any suggestions for changes for future editions.
