\* Advanced standing hours that can be used as a part of the 120 quarter hours in areas IV, V, VI and VII of the curriculum. There are 185 total program quarter hours.

If a student does not take a course or courses in the chart listed above then they must take the equivalent course or courses at Life University.

Life University will accept **up to** 105 quarter hours from North Metro Technical College. In this way, the student can receive advanced standing when entering the program. The student must then pass 80 quarter hours in designated courses with the appropriate GPA at Life University to receive the Exercise Science degree.
