a. Choose one of the following: (see note 3) <i>CSC 100, CSC 102, CSC 115 CSC 134/135/136 or CSC 136/137/138</i>	_____	3
---	-------	---

General Electives – Required hours 12

a. FRN 101 French I or SPN 101 Spanish I	_____	3
b. CDC 100 Alcoholism or CDC 101 Chemical Use, Abuse, and Dependency (see note 4)	_____	3
c. SSC 150 Human Sexuality (see note 4)	_____	3
d. _____	_____	3

Physical Education – Required hours 4

a. PE 212 Health (see note 4)	_____	3
b. _____	_____	1

NOTES:

- This advisement guide has been developed in collaboration with representatives from SUNY Brockport, for the purpose of helping students meet FLCC graduation requirements while preparing for transfer to SUNY Brockport. The recommendations may include courses which are beyond the minimum requirements for FLCC graduation. Students are responsible for ensuring that their course selection meets requirements of FLCC graduation as well as those of SUNY Brockport. For information about minimum FLCC graduation requirements, see the College's catalog or your academic advisor. For information about SUNY Brockport's requirements, check SUNY Brockport's website www.brockport.edu.
- For students participating in the Joint Admissions Program with SUNY Brockport, maintaining continuous study, achieving a minimum 2.5 GPA and successfully completing courses as specified in this advisement guide are required. Additional GPA requirements exist for Accounting (2.5 in specified prerequisite courses), Business Administration (2.5 in specified prerequisite courses), International Business (3.0 in specified prerequisite courses), Social Work (3.0) and education certification programs (3.0). If these conditions are not met, continued participation in the program and acceptance to SUNY Brockport will be in jeopardy.
- Completion of this course does not exempt students from the computer skills exam required by SUNY Brockport.
- SUNY Brockport requires a grade of at least a "C" in each course used to satisfy a Health Sciences major requirement.
- The Liberal Arts Major in Health Science is for those students who want to major in Health Science and pursue Childhood Education (grades 1-6) teaching certification, not students pursuing certification in Health Education or Health Administration.
- Students interested in teaching must submit a separate application to SUNY Brockport's teacher certification program. Applications for admission to teacher certification programs are due September 15th for spring admission and February 15th for fall admission. Specific coursework and minimum 2.5 GPA are required for acceptance into the program. For additional information, go to www.brockport.edu/ehd or SUNY Brockport's catalog.
- SUNY Brockport requires students complete a minimum 30-hour experience working with children in a structured academic setting in grades 1-6 prior to applying to the Childhood Education program.
